41,498 meals delivered from Clearbrook-Gonvick School

The Clearbrook-Gonvick School District Kitchen staff was very busy the last quarter of school while the student were all e-learning through the end of May. Under the direction of Robin Proffit the school Food Service Director and the district support staff they successfully prepared and delivered 41,498 meals. They went above and beyond and met the challenges each and every day they entered the building. If they weren't prepping in food service they were helping with child care in the building!

Those wonderful C-G staff co-workers included: Danielle Derby, Mike Lindgren, Melynda Zurhorst, Rachel Nelson, Jamie Weems, Joanne Lavin, Darlene Bergman, Amy Berg, Jeni Zurhorst, Lori Lundell, Linda Titera, Carrie Haugen, Brittany Salzer, Donna Rude, Tracey Branchaud and Jalina Gerlofs.

Also the wonderful custodial staff helped by loading buses. They included: Lowell, Virgil, Kip, Blake and Ron.

The office staff Debbie and Paula worked hard answering phones and getting forms filled out to get the program running.

Tasha Bakke and Kasey Engen were with the Clearwater County Nursing Service Staff.

Bus Drivers who delivered the food to students included: Gerry Stein, Deb Stein, Trenton Edgell, Tracy Raitz, Mary Beth Pond, Ray Reichert and Kelly Wendorff.

On May 13th, State Representative Matt Grossell and Clearbrook Mayor Dylan Goudge came and assisted with deliveries.

During this time they delivered meals to around 340 students twice a week on 5 buses routes. Breakfast and Lunch were provided for 7 days a week for the last 8 weeks of the program.

The challenges of Covid-19 have put a new challenge on doing their regular shopping for food and supplies. Imagine the challenges throughout the past few months trying to acquire the food and supplies to provide meals to the students.

Robin went on to say, "We were happy to provide our students with a little bit of 'school' away from us. I think all in all the staff miss the students as much as most of the students missed the daily routine of coming to school!"

We hope everyone has a good summer. We will see you in September (hopefully)!"

Pennington - Red Lake County Soybean/Corn Growers donate dollars to local food shelves

Red Lake Falls, Minn. - The Pennington - Red Lake County Soybean and Corn Growers and their checkoff dollars are supporting the local food shelves in Red Lake Falls, Oklee and Thief River Falls.

"On behalf of the Pennington-Red Lake County Soybean/Corn Growers, I am pleased to be able to contribute to the Red Lake Falls, Oklee and Thief River Falls food shelves to help support the good work they are doing in this difficult time," said county chairman David Miller.

Bev Phillion, Red Lake Falls Food Shelf volunteer noted, "With every \$1 donation we are able to purchase food for 5 meals through the North Country Food Bank. So, with the donation you gave us today, that will help us purchase 1,000 meals.

We are very appreciative of your donation."

Bev Phillion, RLF Food Shelf volunteer, Phillion noted people from Red Lake County are invited to utilize the RLF Food Shelf once a month if they are in need of food and/or other grocery items. At the time of each monthly visit people will be required to provide verification of residence by presenting either a billing statement or some type of identification. If for some reason a person is not able to come to the RLF Food Shelf while it is open, a proxy may be used. Each customer may have 20 lbs. of food per person in their household. Each customer is also given a food voucher. The

The Polk County Soybean

– Corn Growers is affiliated with the Minnesota Soybean Research & Promotion Council, which oversees the investment of soybean checkoff dollars on behalf of approximately 28,000 soybean farmers in Minnesota. The Council is governed by the rules of a federally mandated checkoff program that requires all soybean producers pay a fee on the soybeans they sell. This money is used to promote, educate, and develop market opportunities for soybeans.

With nearly 7,000 members, the Minnesota Corn Growers Association (MCGA) is one of

the largest grassroots farm organizations in the United States. Working in close partnership with the Minnesota Corn Research & Promotion Council, MCGA identifies and promotes opportunities for Minnesota's 24,000 corn farmers while building connections with the non-farming public. We accomplish this by investing in third-party research that focuses on water quality and soil health, targeted consumer outreach, developing new uses for corn and working to add value to every bushel of corn grown in Minnesota.

Fireworks at Seven Clans canceled

The fire works that was scheduled for Saturday, July 4 at Seven Clans Casino, Hotel and Water Park south of Thief River Falls has been canceled.

Due to public safety, social distancing and crowd management guidelines in the face of COVID-19.

This was not an easy decision but the health and safety of the community remain the most important.

Trail 4th of July Celebration

Since 1970 there has been activities to celebrate the 4th of July in Trail. We have held off on making a decision as to what or is we would be able to celebrate this year due to coronavirus. The club member have decided that there is no way to control social distancing in the pavilion where everyone eats, listens to the music and dance. So there will be no street games, old time music, ping pong drop or free ice cream. No where to go celebrate during the day, but...

There will be fireworks to enjoy at dusk. Everyone will be able to social distance as they wish. So come enjoy the display. Honor our American land on the 4th.

Farm Service Agency County Committee Nominations Open

#LeadYourFSA and be the Voice of Farmers in Your Community

USDA's Farm Service Agency (FSA) will begin accepting nominations for county committee members on Monday, June 15, 2020. Elections will occur in certain Local Administrative Areas (LAA) for these members who make important decisions about how federal farm programs are administered locally. All nomination forms for the 2020 election must be postmarked or received in the local FSA office by Aug. 1, 2020.

"I encourage America's farmers, ranchers and forest stewards to nominate candidates to lead, serve and represent their community on their county committee," FSA Administrator Richard Fordyce said. "There's an increasing need for diverse representation, including underserved producers, which includes beginning, women and minority farmers and ranchers."

Agricultural producers who participate or cooperate in an FSA program, and reside in the LAA that is up for election this year, may be nominated for candidacy for the county committee. Individuals may nominate themselves or others, and organizations, including those representing beginning, women and minority producers, also may nominate candidates.

Committee members are vital to how FSA carries out disaster programs, as well as conservation, commodity and price support programs, county office employment and other agricultural issues.

Nationwide, more than 7,700 dedicated members of the agricultural community serve on FSA county committees. The committees are made of three to 11 members and typically meet once a month. Members serve three-year terms. Producers serving on FSA county committees play a critical role in the day-to-day operations of the agency.

Producers should contact their local FSA office today to find out how to get involved in their county's election. Check with your local USDA service center to see if your LAA is up for election this year. To be considered, a producer must sign an FSA-669A nomination form. The form and other information about FSA county committee elections are available at fsa.usda.gov/elections.

Election ballots will be mailed to eligible voters beginning Nov. 2, 2020. Read more to learn about important election dates.

Obituary for Glenn Paulson

Glenn Paulson, age 83, of Winger, MN, died Friday, June 5, 2020, at Pioneer Memorial Care Center in Erskine, MN.

Glenn Kenneth Paulson was born December 9, 1936, in New Ulm, MN, the son of Kenneth and Glenda (Helling) Paulson. The family lived near East Chain, MN, until Glenn was 3 years old and they moved to the farm near Bejou, MN. He attended Bejou Public School through the 8th grade and graduated from Mahnomen High School with the Class of 1954. Following high school, Glenn entered the workforce doing various construction jobs, one being power line installation with Helmer Homme.

On January 16, 1959, Glenn was united in marriage to June Benson. The couple moved to Seattle, WA, and welcomed a son, Wendell and a daughter, Shari. Glenn worked for Safeway Foods and then started with the US Postal Service, where he delivered mail to 1962 Seattle World's Fair. They would soon get homesick for Minnesota and moved to Blaine, MN. Glenn continued to work for the postal service and in 1964 they added another son, Jeff, to the family. Although June and Glenn later divorced, he remained in the cities and retired from the US Postal Service in 1989. In 1994, Glenn moved back to the farm and helped his parents and actively farmed until the age of 78. During the last few years, Glenn continued to keep busy and in touch with his family and close friends. One of those friends being, Ken Sykora, a lifelong friend he met while he was a mail carrier in Robinsdale, MN. They had many good times together. Other close friends he enjoyed visiting include Richard Kriewald

Glenn was always a good athlete, excelling in everything he played from tennis, ping pong, to golf. During high school, he played baseball and then later he played on the Postal Service Softball Team well into his 40's. He coached his boy's baseball teams as well. Although Glenn was athletic and seldom lost at cards, his greatest passion was the great outdoors. He was an avid sportsman, hunting, fishing and trapping for 70+ years. Glenn shot numerous deer, ducks and at least three bears with a bow and arrow. He was lucky enough to be drawn twice for moose hunting in Minnesota. Hunting along the North Shore Glenn shot two bulls, with racks of 54" and 48".

Glenn was a generous and fun-loving individual. He had a great sense of humor and always enjoyed visiting with people. He was a member of Immanuel Lutheran Church in Bejou and served as a Trustee in addition to being one of the Lutfisk cooks for the annual Lutfisk Dinners. Northern Renegade Sprints work out at Bemidji Speedway

Saturday June 13, 2020

By Dennis Peterson

For the second weekend in a row Bemidji Speedway was packed with race cars. For the second weekend in a row there were no races. Testing and Tuning was once again on tap with the Northern Renegade Sprints taking over the track to give veteran and new drivers a chance to try out their skills on the ¼ mile oval in what they hope will lead to racing soon.

Northern Renegade President and longtime racer in many classes Caley Emerson has been impressed by the growth of the new class of “Wingless” sprints in northern Minnesota. “We have about 20 drivers in our sport right now in the northern part of our state”, Emerson stated. The Northern Renegades have gained momentum in just a few years of existence with a new Western Renegade class gaining members in North Dakota with around 25 members. In all, in Minnesota, North Dakota and Wisconsin a total of

around 95 wingless sprints race on a regular basis.

The Renegade sprints will be racing at various tracks in the tri-state area including in Bemidji this summer once racing resumes. For the numerous new drivers in the class the racing can’t come soon enough.
