A look at next week ... Meet the Goodridge and Grygla School Board Candidates.

Goodridge/Grygla Schools hold Homecoming next week

It's that time of year again where the Goodridge and Grygla Homecoming candidates have been chosen and the festivities have been planned for each school.

Next week marks the special occasion!

Goodridge has set their 2018 Homecoming theme as "Into the Stars." Coronation will be held on Monday, October 1st, at 3pm in the Goodridge School Gymnasium. Dress up days will be: Monday: Hillbilly Day, Tuesday: Twin Day, Wednesday: Dress Like Your Younger Self Day, Thursday: Crazy Weather Day, Friday: Charger Pride Day.

The Homecoming Advisor for Goodridge is Lacey Hruby.

Grygla has set their 2018 Homecoming theme as "Night at the Movies." Coronation will be held Monday evening, October 1st, at 7pm in the Grygla School Gymnasium. Dress up days will be: Monday: Marvel Monday (Superhero Day), Tuesday: Grey's

Tuesday (Doctor Day), Wednesday: Hunger Games (Survivalist), Thursday: Great Gatsby, Friday: Grygla Night Lights (Charger Pride Day).

The Homecoming Advisor for Grygla is Jesse Westbrook.

The Homecoming Volleyball game will be on Thursday, October 4th, in Goodridge vs. KCC. The Homecoming Football game is set for the next evening, Friday the 5th, in Grygla vs. KCC. The Grygla Merchants will be holding their annual tailgate party prior to the game. There will also be pepband both nights, along with the court getting introduced prior to each game. A dance for 7-12 graders will be held following the football game Friday night at the Grygla School, ending at midnight. The cost for students to attend is \$6.

Grygla School activities for the week include door decorating, games on Friday afternoon and a pepfest.

Check out this fun farm decoration at the end of John Verbout's driveway! What a creative and festive way to use large round bales this fall season!

Grygla School to broadcast live on October 2nd

Garden Valley is excited to announce a partnership with the Grygla School to broadcast school and community events on a GVTV local content channel dedicated solely to the Grygla School. The local content channel can be found on GVTV channel 36, which is available to all GVTV subscribers.

As part of this program, Garden Valley provides the equipment and training the students will need to broadcast their events. The Grygla High School students, under the direction of Business Teacher Jana Nelson, are excited to incorporate the local content/tricaster media broadcasting element into their regular class time that currently includes education on basic media industry careers and media equipment studies and research. They are look-

ing forward to creating exciting broadcasts and some students have already expressed interest in learning how to commentate and call games using the headset. This is a wonderful training opportunity for students to learn the art of broadcasting and is a unique opportunity for all GVTV subscribers to view local events.

Available events will be posted on the Garden Valley Technologies website at www.gvtel.com.

The Grygla School will be airing their first live broadcast on Tuesday, October 2nd, during the Chargers Volleyball game in Grygla vs. Lake of the Woods. This is also the Chargers "PINK OUT" night in recognition of October being Breast Cancer Awareness Month.

GG traveling trophies

You might be aware that the Goodridge/Grygla Chargers have the potential to take possession of a long-existing traveling trophy this Friday night when they play Stephen/Argyle Storm! Currently held by the Storm, the Top of the State Conference traveling trophy was started in the early 90's and traveled between all the original teams in the conference – a tradition that is still held between all original teams today. The last time we had this trophy in our possession was in 2012 – the team (and coaches) are hopeful to bring this trophy back home after Friday night's game this week!

Chargers Football Coach, Jason Grandstrand, has been inspired to take this idea and

develop a tradition in which we have a traveling trophy for every team we currently play.

As of present, we have the "Beast of the East" traveling trophy with Clearbrook/Gonvick in which a bull and bear are fighting against each other. The Bears developed the trophy last year and held it because of their 45-18 victory over the Chargers. We got it back, however, on Thursday, August 30th, when we defeated the team 46-0! That trophy is in Grygla today.

We also have the inaugural "Battle of the Agassiz" trophy with Northern Freeze in which a football helmet displays each school on a side. This is also in the trophy case at the Grygla School because of our 34-8 win

over the Freeze on Friday, September 14th.

Lastly, is the "Golden Helmet" that travels between us and KCC. That trophy is currently on display at KCC but will (hopefully) be coming to Grygla after we defeat KCC in the 2018 Charger's Homecoming Football game on Friday, October 5th!

Grandstrand says the traveling trophies sit behind the goal post of each game with the winning team running over to claim possession. Hopefully soon, the Chargers will add more trophies that will travel, in addition to the ones they currently share between Clearbrook/Gonvick, Northern Freeze and KCC, all pictured to the right.

Chix from the Stix start 2019 fundraising

With October being Breast Cancer Awareness month, Grygla's Relay for Life Team, Chix from the Stix, will kick off their 2019 fundraising in conjunction with the Chargers Volleyball "PINK OUT" night at the Grygla School on October 2nd. The Chix will be serving a baked potato bar with all the fixings, along with a bake sale, beginning at 4pm.

Fall color in the forest

Minnesota's state forests offer beautifully scenic drives! A drive through Minnesota's state forests is an easy way to soak up fall color. "Driving through our state forests in fall is like driving through a kaleidoscope—the range of color really is amazing," said Val Cervenka, the Department of Natural Resources forest health program consultant and fall color predictor. "This is a

great outing for families, and also a great time to take pictures for holiday cards." For a list of fall color forest drives, log onto the Scenic Fall Color Routes webpage. Or, for weekly email or text updates on where to find peak fall color, visit either mndnr.gov/fallcolor, 888-646-6367 or exploreminnesota.com/fallcolor (888-VISITMN).

Meeting adjourned at 7:45 p.m. Next school board meeting time and date: 9-20-18, 7:00 p.m.

A Note from Principal Lunsetter's Desk

"If we want better from others, we need to expect better from ourselves."

Many times we look at something someone else has done or said and we wonder what in the world they are thinking. It's easy to judge others' actions, and we are guilty of it far too often. I think the truth of it is that we do this to deflect something that's going on in our own lives, whether intentionally or not. What we should be focused on is making sure that we live our own lives, being the best version of ourselves that we can be. That means we look inside rather than at other people's actions. We find ways to set a better example for the world, and have faith that others will follow. When we are able to do that, the actions of others becomes largely irrelevant because we know that we are literally doing the best we can to make our world a better place. Keep working to be the best that you can be today, and you will see the changes in others as well.

Simply Delicious

Written and made by Kari Sundberg, Eagle Editor

Slow Cooker Pumpkin Spice White Hot Chocolate

Rich, sweet and full of pumpkin deliciousness, this special white hot chocolate drink brews up to perfection right in your crockpot. Unlike most crockpot recipes, you can't really fix it and forget it. You've got to give it a stir occasionally to help distribute that delicious melty white chocolate. This is the perfect beverage to serve if you've got company coming over, or if you're just cozing up with a blanket on one of these cool fall nights.

Ingredients:

4 cups whole milk
1 cup white chocolate chips
¼ cup pumpkin puree
4 cinnamon sticks
2 tsp vanilla extract
1/8 tsp ground ginger
1 tsp nutmeg
Whipped cream (optional)

Directions:

Add milk, white chocolate chips, pumpkin, cinnamon

sticks, ginger and nutmeg to your crockpot. Heat on low for 2-3 hours, stirring every 10-15 minutes the first hour, then just occasionally after that. To serve, ladle into mugs and top with whipped cream, if desired. To make it look even prettier, serve with a cinnamon stick and sprinkle a little more nutmeg on top!

A Hippie's Health

Written by Tara Waltman

I forgot my phone the other night when we were running errands and you know what? It was great! I really don't go places without my phone. I feel naked without it. Haha. Can I just say, though, I was much more present to my spouse. I was mindful of what I was doing and I really didn't miss my phone! I felt relieved.

Now, does this mean I am just going to go off the grid completely - go live off the land with no technology? No. What I did realize, though, is it's really nice and healthy to unplug from our phones - even if it's for an hour.

Remember when we didn't have cell phones? I didn't get my first cell phone until I was in college! And guess what? All

I could do was text and call people! Crazy! I remember when my parents had a bag phone. Lol. Any of you have a Zach Morris phone? Oh, the good old days!

Take a break from your phone every once in a while and see what happens! You might find something new about yourself - ya never know!

Alison Satre among Athletes of the Week

Alison Satre, a sophomore from Rainy River Community College, has earned the MCAC Defensive Player-of-the-Week for the week ending Sunday, September 16th.

The Voyageur libero has several strong performances in the three-match week for Rainy River, including a 20-dig performance in the RRCC 3-1 win over Vermilion Community College on Wednesday, September 12th. She had 27 more digs combined in a pair of losses to Itasca and Northland over the Friday-Saturday triangular event.

Satre and the Voyageur squad will return to action this week with matches against Gogebic Community College and Vermilion Community College. She is the daughter of Gary and Kristy Satre, of Grygla.

Kaleb Sjulestad 1 INT
Moses Jensen 1 INT

Coach's Comments: Like a wise man once told me, "a win is a win," but we need to play much more consistently in all phases if we are going to reach our goals. Defensively our D-line played a great game with Aaron Jones & Anthony Loken & Lucian Tinnies leading the way. Also, our secondary was lights out with some nice interceptions shutting down the Ponies threats, led by Kiesow, Jensen & Sjulestad.

Offensively, we moved the ball pretty well but we had some unforced penalties that cost us early in the game. We have to be mentally focused right from the opening kick-off throughout all four quarters. Inconsistency has shown up in our kicking game, as well.

This week we need to be running on all cylinders if we are going to take down highly ranked Stephen/Argyle - the defending Section 8 champs. This will be a challenge we have been working towards & looking forward to all season!
