# It's showtime

There is some drama coming to town and you can be a part of it all! Both the Goodridge and Grygla Schools have been busy prepping for their upcoming stage shows and we've got the details for you.

The Goodridge High School Drama Department will be performing "Headin' for the Hills," which is a Hillbilly comedy in three acts, directed by Eric Mickelson. Students will be performing on stage in the Goodridge High School Gymnasium on April 25th and 26th at 7pm!

As for the Grygla High School, Audrya Nelson is the new Drama Director and is working with the cast to bring "What Happened after Once Upon a Time" to life. She provided a short summary that says: A substitute narrator is called in on short notice to present stories from a stack of fairy tale books, but just as each tale begins its "Once upon a time," the main characters show up to interrupt and correct the new-

USDA Rural Development has funding available for very low and low-income individuals and families seeking to purchase or repair a home in a rural area.

USDA's Direct Home Loan Program offers financing to qualified very low and low-income applicants that are unable to qualify for traditional financing.
