Charger athletes receive awards at their Fall Sports Banquet

The Chargers Fall Sports Banquet was held last week on Thursday, November 21st, at the Goodridge Community Center. The banquet was catered by the Goodridge Lions Club. The hard work and achievements of the students were recognized and awards given out. Pictured above are the volleyball players named to the North Border Conference. L-R: Amy Wiskow and Chloe Kuznia were both named All Conference; Caitlyn Jacobson and Vivian Coan were both given an Honorable Mention. Chloe, Amy and Caitlyn were all three named to the Northern Lights Conference, as well. *Photo by Grygla Eagle Newspaper*

Last week, the Grygla School celebrated American Education Week with a variety of activities that included community leaders coming in as guest readers - Laurie Polansky from American State Bank is pictured reading to one group of kids above! Parent's Day closed out the fun week with parents, grandparents and special friends visiting their elementary child's classroom and joining them for lunch. Written by Kari Sundberg, Eagle Editor
Last weekend, we had the pleasure of taking some of our local youth to Luther Crest Bible Camp in Alexandria, MN. It was the 6th-8th grade youth gathering and the theme this

year was "Heard!"
Let no one despise your youth, but set the believers an example in speech and conduct, in love, in faith, in purity. 1 Timothy 4:12
Bishop Elizabeth Eaton recently spoke at an ELCA

Church-wide assembly about the importance of young people in our church. She said they are not only the church of tomorrow, but also the church of today. Our young people's voices matter and need to be heard. It was a great theme and created

some really in depth conversations among our kids. They discussed things like old and new traditions in the church - what should change, what should stay the same, how people can be misheard/misunderstood, and even voices that are not taken seriously or silenced. The entire weekend focused on the topic of using their voices and being heard.
The speaker for the gathering was Stephanie Anderson, Director of Hospitality and Faith Engagement, at St. Andrew's Lutheran Church in Mahtomedi, MN. She is a graduate of Concordia College and served in South Africa with young adults in Global Mission. She was very interesting to listen to and shared a wealth of experiences with our kids.
The worship music was led by members of Red River Worship. They played such great music and had everyone on their feet! Our 11 kids from Grygla were all standing, clapping, singing along, smiling and making it impossible not to join in.
The chaperones for the gathering were Jamie Aune and myself. We all get so much out of these gatherings, the young and old, alike. Personally, I wish I could chaperone these all the time. They have a way of filling your tank right back up to "full." I know the kids felt that way, too.
When we arrived on Friday, we got settled into our beautiful cabins that sit right on the shore of Lake Carlos. I used to go Luther Crest when I was in

high school, but the place looks a bit different since undergoing a huge (and really fancy) renovation. The kids were all really excited to be there. After getting settled in and eating supper, the night consisted of some youth mixers, adult leader meetings, a worship service in the chapel and some night life activities for the kids: movies, open gym, crafts, etc. At the end of the night, devotions are held. It's such a special, intimate time amongst the kids because it allows them to really open up and share their feelings. We all gathered on the bunks in our cabin at 11pm. Jamie and I led the kids in devotions until almost midnight and the kids shared so much with us. We discussed things like: what keeps us up at night, what gets us out of bed in the morning, who do we admire and why, what it feels like to not be taken seriously or heard, and a variety of other things. Each kid shared so freely - we were really proud of them and it was a great way to unwind before bed.
Saturday's activities included two more worship services and different stations for the kids to visit. At one of them, they made homemade Christmas cards and filled stockings that would be delivered to local children in need; these children were victims of abuse, which started up conversations about our theme and how some voices are silenced or not heard at all. Everything tied together so nicely. It's really impressive how much work goes into these

behind the scenes. They kept giving our kids credit for attending, which is awesome... and they'd give us adult leaders credit for chaperoning, which is great, yes...but they really deserve some recognition, too. The LYO Board/Director and all the "WHEATYS" who are high school teens that come from all over NW MN and serve as peer mentors/leaders/role models at the camp. There's just so many people involved and they all deserve recognition and thanks.
In closing, I had written down some of the lyrics to one of the songs the Red River Worship Band sang. Hearing these words echo through the wooden chapel - and all those voices singing in unison - it was so moving.
"When I have wandered, Lord, your cross is the open door. There are no outsiders to your love. We are all welcome. There's grace enough."

You still have time to buy

The Marshall County "Shar-
ing Tree Project" will soon be
coming to an end as all gifts are
to be returned to the tree loca-
tion by Wednesday, December
4th.

The "Sharing Tree Proj-
ect" is sponsored by Marshall
County Social Services; it is an
opportunity for the people of
our communities to show their
love and generosity by provid-
ing a Christmas gift to a child
living in Marshall County.

Nine trees have been placed
in Marshall County, along with
the information needed to pur-
chase a gift for this project. The
trees are located at the follow-
ing business, American Fed-
eral Bank, Bremer Bank, and
Frandsen Bank & Trust- all in
Warren; United Valley Bank
in Argyle; KodaBank in Ste-
phen; Frandsen Bank & Trust

in Oslo; Border State Bank in
Middle River; Marshall Coun-
ty State Bank in Newfolds;
and American State Bank in
Grygla.

"It is truly amazing how gen-
erous the people of Marshall
County have been in support-
ing this project over the years,
we are blessed to live in such
a caring community! It takes
generosity from many people
throughout the county to make
this project possible. Marshall
County Social Services thanks
all those involved in making
this project successful." states
Stacey Urbaniak coordinator of
the Sharing Tree Project.

There is still time to buy!

Teacher Report Given by Ms. Robin Johnson. ECFE will be sponsoring a trip to Cider Mills on October 23rd, and will be having their Halloween Party on October 31st from 4:00-6:00. The 4th grade made mobiles to remind us of the different levels of government.

Grygla City Council approves September minutes

The November meeting of the City Council was held at the Grygla Civic Building on Tuesday, November 12th. Council members approved the October minutes, which are included below. Official minutes are taken by Grygla City Clerk and recapped by Eagle Editor. For the full version, including receipts & disbursements, visit www.grygla.govoffice2.com

October 14th Minutes of the Regular Meeting of the Grygla City Council

The Elementary Halloween Party will be on October 31st in the small gym from 1:30-3:15. Fire Safety posters were completed by elementary students last week. Next week, the Peer Helpers are going to be hosting a Unity Day on October 24th. All students and staff are supposed to wear something orange to represent National Bullying Prevention Month. Six students completed the Read, Write, Math program. American State Bank gave a \$25 gift card to each of the students, and a pizza party was held at Yohawns a week and a half ago. Robotics is off and running with both robots being functional right now. The 8th grade Earth Science class just finished their 3-D topographic maps of different U.S. regions. The 10th grade Biology is growing microbes taken from the river in Grygla. The Physics class is using a phone app called Phyphox to design their own experiments.

Principal Report Given by Mr. Gieseke. A "real life" fire drill and evacuation was conducted in coordination with the Grygla Fire Department and the Marshall County Sheriff's Department. The drill was very successful and we learned some valuable information that will help us improve on what we are currently doing. Door latches have been installed in all of the classrooms to speed

up the lockdown process. The Student Council summit was held today. The 10-12 grade students attended a Career Fair in Roseau, hosted by local businesses. The Juniors and Seniors will be attending the North Valley Career Expo at the Alerus soon. The Terrence Talley presentation was excellent, and students from both Grygla and Goodridge were able to get some positive reinforcement out of it. The student body and staff will be attending a presentation by Tom Cody on November 11th and 12th in Goodridge. The end of the first quarter of school is coming up on November 1st. Mr. Gieseke had some ideas for high school lunch that would help keep students in the building. He also discussed some mental health ideas to help our students and community, including the ACES approach.

Superintendent Report Given by Mr. Lunsetter. The athletic update consisted of updated playoff scenarios for volleyball and football. The Community Education meeting was held, with ideas on how to bolster our programming in this area. The buses are in good shape, with Bus #3 up and running as a sub. The old basketball court will be removed from near the playground as soon as conditions allow for it.

Motion by Jeremy Rychlock, second by James Verbout, to

cluded:

The Dash
– a Linda Ellis Poem
I read of a man who stood to speak at the funeral of a friend. He referred to the dates on the tombstone from the beginning... to the end.
He noted that first came the date of birth and spoke of the following date with tears, but he said what mattered most of all was the dash between those years.
For that dash represents all the time they spent alive on earth and now only those who loved them know what that little line is worth.
For it matters not, how much we own, the cars... the house... the cash. What matters is how we live and love and how we spend our dash.
So think about this long and hard; are there things you'd like to change? For you never know how much time is left that still can be rearranged.
To be less quick to anger and show appreciation more and love the people in our lives like we've never loved before.
If we treat each other with respect and more often wear a smile... remembering that this special dash might only last a little while.
So when your eulogy is being read, with your life's actions to rehash, would you be proud of the things they say about how you lived your dash?

This is such an awesome poem. I think so many times we get stuck in our daily routines that we don't take the time to reflect on why we're here. We get stuck doing the things that we feel like we have to do, and we sometimes forget about the things that really matter. We focus so hard on the destination, we forget about the journey. The journey is where the true joy is. It's where we spend time with our family and loved ones, and where we meet our friends. The journey takes time and effort, but it's energy well-spent. The journey is where the dash happens. Take time today to reflect on your dash...make a conscious effort to enjoy this time with your loved ones. Make the most out of your dash!

▶ SIMPLY DELICIOUS

By Kari Sundberg, Eagle Editor

I was on a mission to find a really good app for Thanks-

giving. This one seems perfect for your holiday party and just gives me another reason why I love biscuit dough. It's so EASY and you can do much with it!

Ingredients
1 (12 oz.) wheel brie
Flour
1 tube biscuit dough
1/2 c. cranberry sauce
4 tbsp. melted butter
1 tsp. chopped thyme leaves
1 tsp. chopped rosemary
1 pinch sea salt
Instructions
Preheat oven to 375. Line a large baking sheet with parchment paper. Cut brie into 1" cubes. Slice each biscuit in half to create two thin rounds. Dollop a small spoonful of cranberry sauce onto each round and top with a piece of brie. Bring up edges of dough and pinch to seal. Place seam side-down on prepared baking sheet. In a small bowl, whisk butter, thyme, rosemary and salt. Brush over rolls. Bake until dough is golden, about 20 minutes.

▶ WHAT A JOKE

Don't forget to turn your bathroom scales back 15 pounds Wednesday night at 1am for Thanksgiving.
Also, this lefse recipe was sent in to the Grygla Eagle by Dale Neuschwader who thought it might come in handy this time of year!

Yew tak yust ten big potatoes
Den yew boil dem till dar done
Yew add to dis some sweet cream
An' by cups it measures vun
Den yew steal tree ounce of butter
An' vit two fingers pinch some salt
Yew beat dis wery lightly
If it aint gude it iss your fault
Den yew roll dis tin vit flour
An' light brown on stove yew bake
Now call in all Scandihuvians
Tew try da fine lefse yew make.

Girls basketball gets defeated by the Bears

The Charger's girls basketball team hit the road for their first game of the season. They headed south to play the Clearbrook/Gonvick Bears on Friday night, November 22nd. The game ended in favor of the Bears 53-44.

Grygla stats: Daria Waletzki- 10 points, 6 rebounds; Amy Wiskow- 8 points; Chloe Kuznia- 3 points, 6 assists; Maloni Henrikson- 4 points, 9 rebounds; Caitlyn Jacobson- 6 points, 7 rebounds; Maddy Cullen- 4 points; Vivian Coan- 8 points, 8 rebounds

Coach's Comments: The girls played well for the first game of the season. It was a close game for most of the first half. Right before half, CG went on a 10-0 run to take a 16 point lead into the half. Second half was better for us. We scored 15 points in the first

half and 29 in the second half. I think the girls started to settle down from the first game jitters and started executing the plays. Our plays were working for layups. We made a couple different runs to get within 7 points. It was a nice comeback but we lost by 9. Taffin was a very hard girl to defend and ran the offense well. She had 9 of the 27 offensive rebounds we gave up. We gave up to many offensive rebounds and turned the ball over too many times. We missed too many "bunnies" and went 2-16 on three's. Other than those we shot 37%. Which is a good percentage. We also did a good job fighting for offensive rebounds and got 19 of them. Transition offense was good and we scored 15 points with quick decisions and crisp passing.
