Charger basketball stats from last week

BBB at BGMR on Monday, March 8th
BGMR 84, Chargers 49
Stats - Jake Olson (11 pts, 4 reb, 5 asst), Jordan Coan (4 pts, 8 reb), Lewis Jones (14 pts, 7 reb, 2 asst), Kaylor Torgerson (1 pt), Sheldin Sundberg (2 pts), Ian Haugen (4 pts, 6 reb), Moses Jensen (1 pt, 2 asst), Blake Rychlock (10 pts)
Coach's Comments: The Gators have been a tough matchup for us the past few years, and this trend continued. We hung tough for the first half and kept the game within single digits until about halftime. After the break their pressure defense and up tempo offense wore us down and they pulled away in a big way. They shot the ball incredibly well and look like they'll be a tough team to beat in the playoffs.
GBB vs. BGMR in Grygla on Monday, March 8th
Gators 50, Chargers 31
Hannah Wilebski- 3 points; Kjerstin Nelson- 3 points; Chloe Kuznia- 4 steals; Caitlyn Jacobson- 10 points, 3 rebounds, 3 steals; Maddy Cullen- 2 points; Sadie Anderson- 1 points; Vivian Coan- 6 points, 9 rebounds; Katelyn Larson- 4 points, 3 rebounds; Madison Paulson- 2 points
Coach's Comments: We didn't play our best tonight. Our defense played great in the first half. We held them to 13-15 points for most of the 1st half. We just couldn't get the ball to go through the basket. 2nd half was about the same, we got a few good looks to drop, but that was it. We lost to a good team, and we move onto the next one.
GBB vs. KCC in Grygla on Tuesday, March 9th
GG 55, KCC 46
Hannah Wilebski- 7 points; Chloe Kuznia- 2 points; Caitlyn Jacobson- 10 points, 7 rebounds, 3 assists; Maddy Cullen- 2 points, 3 assists; Sadie Anderson- 3 points; Kylie Delage- 2 points; Vivian Coan- 20 points, 4 rebounds; Katelyn Larson- 9 points, 4 rebounds.
Coach's Comments: We played our makeup game tonight and the girls played well. Coming off a tough loss on Monday, I

thought the girls came ready to play tonight. We got some points from people off the bench, we boxed out well, and we got some deflections when we put some pressure on them. It looked like the girls were having fun out there. Scoring was pretty even, which is nice to see. We were aggressive and got to the foul line 36 times. It was a good game by the girls.
GBB at Win-E-Mac on Thursday, March 11th
GG 60, Win-E-Mac 43
Hannah Wilebski- 2 points, 4 rebounds, 4 steals; Chloe Kuznia- 8 points, 5 assists; Caitlyn Jacobson- 22 points, 7 rebounds, 4 asst, 5 steals; Maddy Cullen- 4 points; Sadie Anderson- 5 points; Vivian Coan- 15 points, 7 rebounds, 3 steals; Katelyn Larson- 3 points, 10 rebounds
Coach's Comments: We started a little slow, but pulled out the win. This was the last game of the regular season, so it was nice to get the win. We were able to put some pressure on them and force a few turnovers that turned into layups. I thought the girls played pretty good this game.
BBB vs. LOW in Grygla on Friday, March 12th
Chargers 82, LOW 48
Stats - Matt Busse (5 pts, 3 asst), Jake Olson (4 asst), Riley Manderud (12 pts, 7 reb, 3 asst), Jordan Coan (18 pts, 5 reb, 3 steals), Tyler Horgeshimer (2 pts, 2 reb), Tucker Verbout (2 reb), Lewis Jones (13 pts, 6 reb, 3 asst, 3 steals), Justin Thompson (3 pts), Levi Kiesow (1 pt, 3 reb, 2 asst), Ian Haugen (6 pts, 2 reb), Jared Haack (2 pts, 3 reb), Blake Rychlock (20 pts, 6 reb)
Coach's Comments: We wrapped up the regular season with a home game against the Bears. We came out in the first half without the defensive intensity we need to play with, and the Bears shot well from behind the arc. Our pressure created some turnovers and wore the Bears down as the game went on, and we were able to pull away. We had positive contributions from the whole team, but Blake really had a standout game with strong offensive rebounding and three point shooting. We now must prepare ourselves for a playoff game next Thursday!

Northern Lights fishing report

Written by Ben Kucera
On this week's report, still struggling to find walleye. This past weekend I took Christina to Lake of the Woods. She wanted to try tulibee fishing so to Arnesen's Reef we went. The tulibee bite was hot and as soon as you got down you had one on. At least the tulibee kept us busy! Our lines with a minnow weren't even touched. My Assassin Bug tipped with 3 wax worms - the go-to again this trip. All said and done we had 62 tulibee on the ice. There is no limit and they are great smoked and fried.
We then moved into 15' of water in hopes that the walleye bite would turn on. It was a bust with only 3 walleye caught. Sunday we switched gears to try for a pike...that was as good as the walleye bite. Christina had one on but the line broke at the reel.
The ice is good yet, but the shoreline is starting to get slushy or have water on it. I think this was the last weekend for driving trucks on the ice and have another weekend with ATVs. There is little to no snow on the ice, as well.
Good luck to anyone still trying to find the elusive walleye. They should start to be in 20'-25' of water now.

Birds: An Exhibit including work by local artist Betsy Saurdiff

The Northwest Minnesota Arts Council (NWMAC) is pleased to announce Birds – An exhibit featuring the work of Betsy Saurdiff of Grygla, Ross Hier of Crookston, Stephanie Anderson of Fosston, Doug Dallman of Thief River Falls, Sherri Kruger of Badger, Zach Rowatt of Roseau, Travis Hanel of Warren, Ivy Baille of Fosston, Rock Bakken of Hallock, Kathryn Rynning of Kennedy, Janet Johnson of Roseau, Karen Monson of Plymouth, and Cindy Kolling of Gully.

The exhibit is open from March 2 through April 29, 2021 at the NWMAC Gallery at Northland Community and Technical College in Thief River Falls. It includes paintings, stained glass mosaic sculpture, fiber and mixed media, bird houses, pen and ink, photography, pottery, chalk pastel, and watercolors. Like art, birds reveal a spot of beauty with their plumes and songs and allow us to escape the stressful and mundane. These artists have captured the simplicity, as well as the complexity of birds.

The exhibit features a large body of work of Crookston Artist Ross Hier. Ross's love of nature from a young age led him to a career as a wildlife biologist. He retired after 35 years with the Minnesota DNR Wildlife Section. A self-taught artist, he thoroughly enjoys the versatility of transparent watercolors. Nature provides him with unlimited subject material. Many of his subject ideas arose after observing some interaction in nature, landscape, or creatures. "I am drawn more to days when life wasn't so driven by technology and was lived at a slower pace."

In 2019 Ross experienced "a wonderful birding expedition in Ecuador. I observed 33 species during my 13-day adventure and when I returned home, I set out on a personal project to paint all 33 of them. Thus far, I have completed 15 of those 33 species; these watercolors are on display at this exhibit. It is an extreme challenge to capture the vibrant, often neon-esque colors of hummingbirds with watercolor pigments. Also, mimicking blurred wing-movement is very difficult. I have learned much on the project and continue to revel in memories of the 'amazing 33 species.'"

You won't want to miss this extensive and multifaceted exhibit! A number of these pieces are available for purchase. Please see our website for more information.

The NWMAC Gallery is located at Northland Community and Technical College in Thief River Falls. The gallery hours are Monday-Friday from 8:30-5 PM and at other times when events are held at the college. Enter through Door A. Visitor parking is free and at this time in the large end lot.

For more information about our exhibits look to our website at www.NWArtsCouncil.org, or if you are an artist interested in exhibiting a body of work with NWMAC, please contact Trey Everett at (218) 280-4917 or email NWArtsCouncil@gmail.com. This exhibit is made possible with funding from The McKnight Foundation. Please sign up for our e-newsletter on our website home page to see the latest news and grant announcements. Grygla Community Center benefit

AUCTION
COMING UP...

(January 1975) One of the high points of the Grygla area social season is set to arrive this Sunday at 5:30pm as the Grygla Lions sponsor the Grygla Community Center Benefit Basket Social. Everyone is invited and encouraged to come to the Community Center.

Ladies, regardless of age or marital status, are asked to pack basket lunches for two. These lunches will be assigned a lot number and sold to the highest bidder at public auction. At press time the name of the professional auctioneer had not been learned, but several persons are being sought.

Basket lunches need not be packed in baskets - shoe or lunch boxes are fine. The identity of the lunch preparers will be secret. It is traditional at basket socials that the successful bidder share the lunch with the person who prepared it. It is also traditional that the successful bidder and the preparer of the lunch share at least the first dance of the evening.

Music for this community event will be provided by local musicians. No admissions will be charged. In the event that there are more bidders than basket lunches, BBQ's will be served.

• SIMPLY DELICIOUS

Listen closely. Big Mac Tater Tot Casserole. Mmm. As good as it looks – as good as it sounds. I made this for supper and the entire pan was gobbled up.

2 lbs ground beef
1 cup Thousand Island dressing
¼ cup mayo
1 cup diced dill pickle
1 tbsp onion powder
1 tbsp garlic powder
1 tsp salt
1 tsp pepper
2 cups shredded cheese
24 oz. tater tots

Topping: 1 cup shredded lettuce and ¼ cup Thousand Island dressing

land dressing

Instructions:

Preheat oven to 400 degrees.

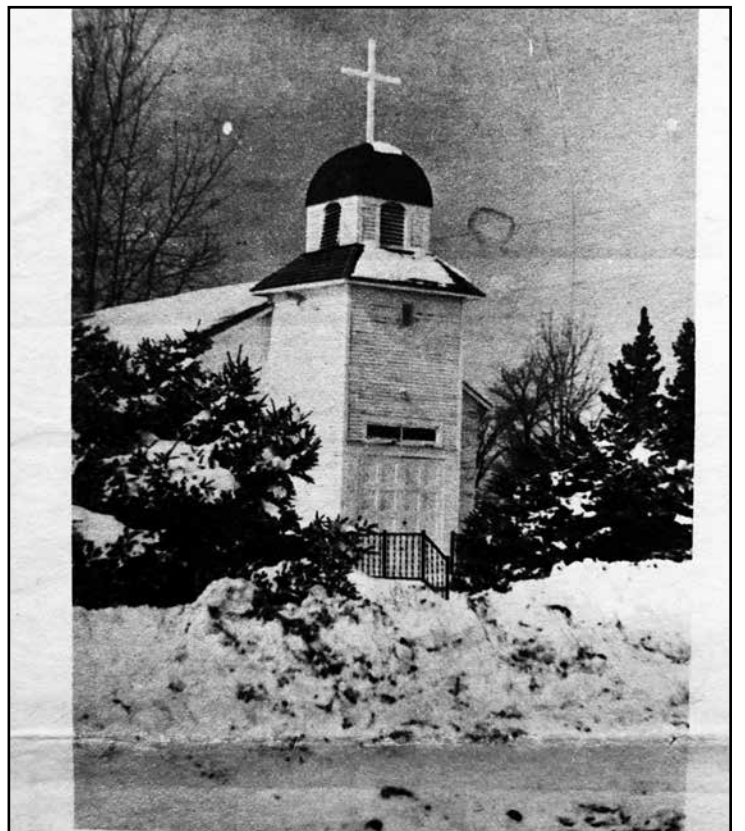

Brown your ground beef, drain grease. Add Thousand Island, mayo, onion, dill pickle, onion/garlic powder, salt & pepper to the pan with the ground beef. Stir and combine. Dump that into a greased 9x13 pan, spread out evenly. Sprinkle shredded cheese on top. Place the tater tots over that. Bake for about 40 minutes. Remove the casserole from the oven and sprinkle the lettuce on top. Drizzle more Thousand Island dressing over the top and serve! Go wild and make two pans; you'll thank me later. This also freezes great, just leave the lettuce off.

Spring Comes to Grygla-This Friday, March 21, is the first day of spring. Earlier this week readings in the 40's heralded the nearness of warmer weather. Whether these balmy headings signal an early spring or only a mid-March thaw will only be revealed by the weeks ahead. The above photo shows how the snow has beautified the St. Clement's Catholic Church of Grygla.

First high school play to be presented tonite

The Grygla High School will present its first play ever, "The Bear", on February 13, 8:00 p.m. in the Commons Area of the High School. The price of admission is \$1.25 and this is to cover the cost of the Russian lunch that will be served. Advance sale tickets are on sale at the school or from anyone on the Box office and Publicity crew. It is asked that those wishing to see the play buy advance sale tickets so that the size of the lunch can be determined.

The title of the one-act comedy, directed by Erlene Gehrke, is "The Bear" by Anton Chekhov. It was written in 1888 and the setting is of the same time in Russia. The comedy is about a young widow who has been in mourning for a year. A man shows up and demands that she pay him for one of her husband's debts. A quarrel ensues and culminates in a challenge to a duel with pistols. It's a spoof on the whole idea of the equality of sexes.

The three major characters are: Mrs. Popov-Lynette Askeland, Smirnov-Scott Walsh, and Servant-Laura Hamilton.

The workmen are Scott Anderson, Jodie

Lian, Tom Morrissey, Maurice Lunseter, and Mark Polansky.
