In this issue ... Grygla Prom flashbacks from years gone by. (See page 3)

Real date: April 20th. Feels like: January 120th

Other possible captions for this photo: 'Tis the season to be freezin'. Favorite thing about winter? When it's over. Let it snow, let it snow, let it snow....somewhere else. On a positive note, we haven't seen any mosquitoes yet, AND like the saying goes, "If you choose not to find joy in the snow, you will have less joy in your life but still the same amount of snow." Let's just use these extra peaceful, snowy days to pause, reflect and renew for the spring that's sure to be coming soon! *Photo by Grygla Eagle Newspaper*

Photos from the years gone by! This year marks the 40th year of the Goodridge Lion's Consignment Sale & Smelt Fry. All photos courtesy of Julie Kiesow

40th Annual Goodridge Lion's Consignment Sale & Smelt Fry

It's back this Saturday, April 23rd, in the city of Goodridge! The consignment sale starts at 9am with vehicles and machinery to be sold at 12pm. Lunch will be served by the Goodridge Lion Tamers. The Smelt Fry starts at 4pm at the Goodridge Lion's Hall. Live music by Eagle Creek will be at the Goodridge Municipal Liquor Store that night starting at 9pm. Make a day out of it in the big town of Goodridge! This is a popular event that has been going strong for 40 years now!

Consignment items may be brought to the Lion's Hall between 12-7pm on Friday, April 22nd, or prior to the start of Saturday's sale. The Goodridge Lion's Club is not responsible for items left overnight.

Auctioneers: Dale Svendsgaard, Eric Mickelson, Pete Mosbeck. For more information, contact Gary Kiesow (218-378-4480) or Gerald Wayne (218-689-9468.)

Grygla City Council approves March Minutes

The April meeting of the City Council was held at the Grygla Civic Building on Monday, April 11th. Council members approved the March minutes, which are included below. Official minutes are taken by Grygla City Clerk and recapped by Eagle Editor. For the full version, including receipts & disbursements, visit www.grygla.govoffice2.com

The regular meeting was called to order, at 7pm at the Civic Building by Mayor Mosher. The following council members were present: Gavin Nordby (via phone), Lindsay Oslund and Karla Byklum. Absent: Devin Ruud. Also present: Rose Aune.

Council approved minutes, along with receipts, disbursements, checking, savings & total balances for that month. The payment of all bills was also approved. Other items included:

WATER TOWER

Water rates for businesses, residents, and bulk water have been figured out and sent in. Bond counsel sent letter to USDA. Hoping to have the application turned in by end of April.

PLAYGROUND EQUIPMENT

There was nothing new to report at this time.

FIRE HYDRANT BY COOP STORE

Tabled until Spring 2023.

COMMUNITY CENTER

The Community Center is booked just about every week-

end in March and April. The flooring committee hasn't met yet.

AIRPORT

Oslund is going to contact Aaron Peterson about CIP options.

TREES

Looking into other options for the lot.

SAWMILL LOT

There was nothing new to report

TRAP RANGE

Nothing new to report at this time.

CLERK'S CONFERENCE

Rose to be gone for the MC-FOA Clerk's Conference March 21-25 in St Cloud.

FALL FEST LIQUOR PROVIDERS

Due to some interest in the restaurants in town, we will table the decision until this summer, if nobody has purchased either establishment.

MARSHALL COUNTY FAIR DONATION

Council approved a \$500 donation to the Marshall County Fairgrounds.

JEFF BURGESS REVOLVING LOAN

Council approved the write-off of the remainder of the revolving loan Jeff Burgess had, due to him passing away.

RESOLUTION FOR POLLING PLACE

Council approved the resolution for precinct and polling place.

EXTRA MEETINGS

No meetings.

Where there's a will, there's a way

The Goodridge Drama department will be performing "Where there's a will, there's a way" this week on April 21 & 22, 2022, at the Goodridge School Gym at 7:00pm. Cost is \$5 per person. The play will begin at 7pm on both nights. Friday, April 22nd, there will be a dinner option where the High School Music Department will be serving a meal during the play as a fundraiser for their

trip to the Chanhassen Theater to see "Footloose." The cost of the meal and play ticket will be \$20 for that Friday night performance. You may still attend Friday for the \$5 ticket to see the play without buying a meal.

If you are interested in attending Friday's dinner theater, please contact Mr. Mickelson at the school or a Goodridge Choir or Band member.

2022 SUMMER HEALTHCARE INTERN PROGRAM

Student interns will observe and participate in various aspects of patient care and medical facility management.

This program is open to:

- **Secondary students**, who must intend to complete high school graduation requirements, are between the junior and senior year of high school, and are from a school district in close proximity to North Valley Health Center
- **Post-secondary students** who must intend to complete a two or four year degree program and are planning on enrolling or are enrolled in that degree program; are enrolled in a Minnesota educational institution, or are a resident of the state of Minnesota. Priority will be given to post-secondary applicants from a school district or an educational institution in proximity to North Valley Health Center.

Employment will be between May 31, 2022 and September 2, 2022.

Application deadline is Friday, April 29, with interviews to be conducted the following week. Along with a cover letter and completed application, you must include a letter of recommendation from a health occupations or science educator. Candidates will not be considered if all documents are not received at the time of application. Applications can be found on the NVHC website, at our facility, or can be mailed or emailed to the applicant. Completed applications may be emailed to J.L.Lysford@northvalleyhealth.org or mailed to:

North Valley Health Center
Attn: Human Resources
300 W. Good Samaritan Drive
Warren, MN 56762

Funding for this program is provided through a contract with the Office of Rural Health and Primary Care, Minnesota Department of Health.

North Valley Health Center is an Equal Opportunity Employer.

Sportsman's Club picnic

The Fourtown/Grygla Sportsman's Club Spring Picnic has been set for Saturday, May 7th. The plan will be to meet in the morning and clean ditches before heading out on a short ATV ride. The club will then gather for a potluck picnic back at Grande Corner. Please bring a dish to share; meat/beverages provided by the club.

Princess Ball set for May 1

There will be a Princess Ball (Daddy/Daughter Dance) on Sunday, May 1st, from 1-3pm at the Grygla School. This is for ages 0-6th grade and will cost \$5 per little one. Coronation is at 1pm with a dance and activities to follow.

Dress to impress or dress for comfort! There will be a desert table and popcorn bar set up during the event as well. To sign up, contact Alisha Anderson at 218-280-2121 or Tera Nordby at 218-242-7450 by April 30th.

HELP WANTED

American State Bank of Grygla has an immediate full-time opening for a qualified individual to join our team to work in Loan Administration and Operations. The ideal candidate will possess strong customer service and communication skills, have proficiency in the use of various technologies, be detail oriented with the ability to multi-task, the willingness to work in a team environment supporting loan processing and other bank operations; and the desire to consider opportunities for professional growth. Please submit a resume via e-mail to bryan.grove@asbgrygla.com or by mail to: American State Bank of Grygla, PO Box 78, Grygla MN 56727.

American State Bank is an Equal Opportunity Employer of women, minorities, protected veterans and individuals with disabilities.

Bear hunting license applications available

Prospective bear hunters have until Friday, May 6, to apply for a bear hunting license from the Minnesota Department of Natural Resources. Applications for the 2022 season can be submitted online, at any license agent or via telephone at 888-665-4236.

A total of 3,605 licenses are available in 14 permit areas for the season, which opens Thursday, Sept. 1, and closes Sunday, Oct. 16.

The number of permits available is based on Minnesota's bear population, which has stabilized and started to increase during the past nine years because of more conservative permit quotas. Populations in nearly all bear permit areas are stable to increasing. Several permit areas in northern Minnesota require additional permit reductions to stabilize their populations.

Notable changes for the 2022 season

After conversations with the Red Lake Nation, DNR split Minnesota's Northwest Angle off into its own bear permit area, creating permit area 14. Bear hunting has occurred in the Northwest Angle for decades, but the area was part of permit area 12, which is directly to the south.

Differing landscape, population dynamics, vegetation and food resources, as well as concerns about increased bear and human interactions, prompted the split. The new permit area provides the DNR greater flexibility to develop hunting strategies specific to the Northwest Angle's bear population and control hunting pressure in response to the local bear population.

For 2022, DNR is offering a small number of hunting permits in the Northwest Angle, reflecting a status-quo level of harvest for the first year of this new area.

The DNR also has modified the boundaries of permit areas 28 and 47 to follow the Leech Lake Reservation boundary. This change is consistent with adjustments made to deer permit area 197 in 2021.

Lottery winners will be notified by Wednesday, June 1. The deadline to purchase bear hunting licenses awarded by lottery is Monday, Aug. 1. Any remaining unpurchased licenses will be available over the counter starting at noon Thursday, Aug. 4.

An unlimited number of bear licenses also will be sold over the counter for the no-quota area that includes east-central and far northwestern Minnesota. No-quota licenses are valid only in the no-quota area.

Hunters with either a quota or no-quota license who are interested in taking a problem bear should contact the area DNR wildlife manager (mndnr.gov/Areas/Wildlife) to be added to the hunter contact list if the opportunity arises.

Complete instructions about how to apply for a license, maps of permit areas and a listing of permit availability for each area are available on the DNR website (mndnr.gov/Hunting/Bear).

HELP WANTED: ELIGIBILITY WORKER

Marshall County Social Services is in search of a full time Eligibility Worker. Must have the ability to organize, make decisions, remain objective, and rapidly process detailed information accurately. Computer skills and relating to people are essential. Salary range \$22.03 to \$29.84 per hour. Potential hybrid-telework possible after probation. Will require being eligible for Minnesota Merit System. Send Resume to Lisa at Marshall County Social Services, 208 E Colvin Avenue, Warren MN **AND** register by completing an application at <http://agency.governmentjobs.com/mnmeritsystem/default.cfm> Deadline to apply is 4-29-22.

GS-6C

NOTICE

The Marshall County Highway Department is accepting requests for spreading calcium chloride for dust control in front of residences that lie along County or Township gravel roads within the boundary of Marshall County. The cost for a 24-foot wide by 300-foot long strip will be approximately \$400. The homeowner will pay this cost after the work is completed. The cost will be adjusted according to the size and rate of application. The application site must be flagged from start to finish by the resident.

Interested parties should contact the Marshall County Highway Department at 218-745-4381. The County will send out an application upon request. The application is also available on our website at www.co.marshall.mn.us. It must be completed and returned by the homeowner. The County must receive the completed application before the service is performed. NO requests will be accepted AFTER MAY 27, 2022.

GS4-9C

EASTER ACTIVITY/DIY

Written by Alisha Anderson
The following Easter activity/DIY project was shared on Facebook by Alisha Anderson. It was such a cute activity she did with her three kids, Presley, Briggs and Jett. With her permission, it's being re-shared here for others to try out!

If anyone is ever looking for a Sunday school activity for their kids that is meaningful to the Easter season, I highly recommend looking up this activity on Etsy or making your own. On Psalm Sunday we created the resurrection garden and planted our grass seed.

All week the kids have been watering the grass to see what would happen.

We learned about sins and being good people and how a dirty cup can represent sins on the inside, but you can appear fine on the outside. (Now the kids are calling each other out saying the other is being a dirty cup.)

On Good Friday, we read about what happened to Jesus. We put our cross on the hill,

marked our little Jesus peg with a black marker, representing the sins Jesus took on, lit the candle to represent Jesus' life on the cross and blew it out after a period of time, showing the kids that Jesus had passed. Then we wrapped him in a little cloth and placed him in the tomb.

Saturday, we read how the soldiers were so worried the disciples would take Jesus' body so guards were ordered to watch over the tomb. We put our little peg soldiers in front of the tomb.

Easter Sunday morning, the kids ran to the resurrection garden to see if Jesus had risen, and he did! Our grass had grown green, representing new life. Our stone was moved aside, the soldiers down for the count, and all that was left in the tomb was the cloth we wrapped Jesus in. He is Risen! Happy Easter Everyone!

For more information, you can look online at Etsy.com and search "ResurrectionGardens"

Celebrate Recovery informational meeting

Have any hurts, hang-ups, or habits you want out of your life? The Warren Evangelical Covenant Church Deacon Board and Mission Committee will be holding an informational meeting for the public about the Celebrate Recovery program on Wednesday, April 27, 6:30 p.m. at the Warren-Alvarado-Oslo (WAO) High School's Multi-Purpose room. Celebrate Recovery is a Christ-centered, 12-Step recovery program for anyone struggling with hurt, pain, or addiction of any kind. Celebrate Recovery is a safe place to find community and freedom from the issues that are controlling your life. If you or someone you know struggles with addiction, anger, codependency, eating disorder, food addiction, love and relationship addiction, physical-sexual-emotional abuse, alcohol/drug addiction, sexual addiction, or gambling addiction, we invite you to come and hear how Celebrate Recovery can help.

MPCA recruiting Grygla volunteers

As spring arrives in Minnesota, it's time for the Minnesota Pollution Control Agency (MPCA) to kick off its popular program that relies on Minnesota residents to help monitor Minnesota's 12,000+ lakes and 92,000+ miles of streams. The MPCA is now recruiting volunteers to measure water clarity in numerous lakes and streams - including several high-priority sites along the Mud River in the Grygla area - and then report back to the agency. This is the perfect opportunity for outdoor enthusiasts and those interested in helping protect our state's natural resources! Through the Volunteer Water Monitoring Program, volunteers do a simple water clarity test in a body of water twice a month during the summer. Lake monitors boat or paddle to a designated spot in the lake to check the clarity, while stream monitors record data from the streambank or a bridge over it. We provide all the equipment and training, so no experience is needed.

The MPCA uses the data to

At this Informational meeting, we will present information about the Celebrate Recovery program to anyone who is considering taking a set in the right direction - the first step of the journey to healing in areas of addiction. Please come and find out what Celebrate Recovery (CR) is all about. We also want to invite anyone who is interested in helping us initiate and administer this program. We recognize that maintaining this program will take time and commitment, which will take many willing helpers. If you are interested in being a part of this ministry, we ask you to prayerfully consider attending this meeting to learn more about how you can help. The meeting starts at 6:30 p.m. Coffee and refreshments will be provided. If you have any questions, please contact Pastor Ryan Sarenpa at 218-745-4191, Ashley Peterson, our Missions Committee Chair, at 701-541-2902, or Joyce Knoll, Deacon Board Chair, at 218-201-1758.

help determine whether lakes and streams are meeting water quality standards designed to protect aquatic life and recreational activities like fishing and swimming. In some cases, the information gathered by volunteers is the only monitoring done on a particular lake or stream. Program volunteers come from all walks of life; from retirees and families to teachers with their classrooms and entire community groups, anyone can be a volunteer! We'd like to offer you an interview with a program expert who can discuss the importance of our volunteers' work to help protect water quality and how anyone can get involved. We also may be able to connect you with an existing volunteer in the area to learn more about their experiences in the program or provide you with volunteer quotes, photos, stories, etc. Interested? Call Lauren Lewandowski with MPCA at 651-757-2756 or 612-270-9615.

Nation's Premier Collegiate Honor Society Inducts Mya Sistad into Membership

Mya Sistad of Grygla, MN, daughter of Mark and Janna Sistad, has accepted an invitation of lifetime membership in The National Society of Collegiate Scholars (NSCS), the nation's leading certified honor society for high-achieving first and second-year college students with a minimum of a 3.0 GPA.

Mya is currently a first-year student at the University of North Dakota going for her bachelor's in public administration.

NSCS is an honors organization that invites less than ten percent of all eligible students nationwide to join the ranks of its diverse membership each year. A leading interdisciplinary academic honor society, NSCS is made up of scholars from two-year, four-year and online institutions.

"NSCS is more than just a symbol of academic achievement; it is a distinction of honor," said Scott Mobley, NSCS Executive Director. "Our scholars are some of the best of the best who have shown an unwavering commitment to academic excellence early in their collegiate journey. These dynamic individuals embody the NSCS pillars of scholarship, leadership, and service, and many go on to become active contributors within their respective fields."

Founded in 1994 by veteran student affairs professional Stephen Loflin, NSCS continues to remain true to its promise of recognizing, el-

evating, and connecting high achievers. With a portfolio of exclusive benefits that include access to over \$750,000 dollars in scholarships, chapter funds and awards annually, professional development resources, exclusive tailored content, and leadership and service experiences, NSCS is poised to support member growth and development throughout their academic and collegiate journey.

"NSCS members' deep commitment to service, integrity, and scholarship positively impact their campuses and local communities every day," said Mobley. Notable NSCS distinguished honorary members include former president Jimmy Carter, U.S. Ambassador Dr. Robin Renee Sanders, the late Senator John McCain, and former U.S. Secretary of Health and Human Services Donna Shalala. "We welcome Mya Sistad to our community of like-minded, high-achieving nationwide scholars," Mobley said.

The National Society of Collegiate Scholars (NSCS) is an honors organization that recognizes and elevates high-achieving first-and-second year college students. With its three pillars of scholarship, leadership, and service, NSCS is proud to provide career and graduate school connections, leadership and service opportunities and gives out more than \$750,000 in scholarships (often with multiple recipients per award), awards and chapter funds annually.

NSCS has 300+ chapters nation-wide and nearly two million lifetime members globally. NSCS is a 501(c)(3) registered nonprofit, certified member of the Association of College Honor Societies, member of the National Collegiate Honors Council, American Association of Community Colleges, and 100 percent FERPA compliant, per an independent review by AACRAO. Only in Minnesota: a weekly feature in the Eagle

Take a journey down the 57-mile Gunflint Trail in northern Minnesota for wonderful glimpses of nature and wildlife

All across Minnesota, there are countless scenic drives that bring people face-to-face with local history, beautiful landscapes, and interesting wildlife. No matter which one you choose, you'll have a beautiful journey. But next time you're in northern Minnesota, you might want to consider taking a trip down the Gunflint Trail. This road through the woods is a classic destination for Grand Marais visitors, and it's an excellent opportunity to take in all that northern Minnesota has to offer.

The Gunflint Trail is a 57-mile stretch of road that starts in Grand Marais, Minnesota. It's a national scenic byway that takes travelers on a journey through Superior National Forest.

As you drive, you'll be surrounded on both sides by thick, deep forest. Superior National Forest is vast, measuring more than 3 million acres in area. The section along the Gunflint Trail is just a small piece!

There are multiple places along the Gunflint Trail where you

can get out to hike on established hiking trails through the woods. These are excellent opportunities to see a bit more than you would from the road.

Some trails lead to rocky rivers or tree-lined lakes. Because this is part of the Boundary Waters, you will be surrounded by vast wilderness. There are some great spots to fish, or you can simply enjoy the peace and beauty that being this far north in Minnesota brings.

If you'd like to stay longer, there are many lodges and campsites along the trail. You can launch your boat to fish deeper in the lakes or cast a line from a dock.

One of the best parts about the Gunflint Trail is the proximity to wildlife. People often spot small animals such as birds and rodents. If you're lucky, you may spot something larger, like a fox or a bear.

Many Minnesotans also consider the Gunflint Trail one of the best places to spot a moose in Minnesota! At just 57 miles in length, it's just a short trip to see one of these elusive animals in person.

• GRYGLA LIBRARY LINK

Written by Kari Sundberg, Grygla Librarian

The Grygla Library will be open this Wednesday, April 20th, from 2-6pm! At least it will be if no more winter storms hit! We've been closed the last couple of Wednesdays due to stormy weather, but let's hope we can resume business as usu-

al this week.

I've got about 75-100 new Large Print books that were delivered; I will have those out on a table for our library patrons this week. That's our most popular selection with our older patrons so I'm excited they'll have a whole new selection to check out.

Within the NWRL, we're starting to look at legacy programs again and have some exciting options to bring in. It's been since before COVID hit that we've had a fun kids or adult program at the library. I miss those evenings of jewelry making, arm knitting, or wild animal/zoo visits!

I have a regional meeting this Friday at the NWRL Headquarters office in TRF. I'm excited to find out more about what programs we have coming and try to get a couple booked for Grygla this summer. Stay tuned on that and happy reading!
