Best way to beat the heat

As the locals know, the best way to beat the heat is to head to the pit! It was a hoppin’ place last Sunday with the near 100 degree temperature outside! Many families headed to the water for some “cooler” fun in the sun! The pit was also just recently restocked with a variety of pan fish, which provides a fun fishing opportunity for many. *Photos by Grygla Eagle Newspaper/Jack Nelson (fish stocking)*

Food Shelf update

Submitted by Cheryl Sistad, Chairman

There was a little confusion as to the date of the Grygla-Gatzke Food Shelf June open dates. The schedule for when we receive food from the North Country Food Bank is figured by the 3rd Thursday AFTER the 1st Tuesday of the month with our Food Shelf being open that Saturday. This pushed back our delivery date to June 23rd with the Food Shelf being open June 25th.

Future Food Shelf dates will be: July 23; August 20; September 24; October 22; November 19.

With ever increasing costs of food (and gas, etc), we want to remind everyone that if you find you are struggling to make ends meet, we are here to help. The Food Shelf usually has a good supply of frozen meats. We have canned vegetables, meats, prepackaged foods and the basics like milk, eggs, butter, juice, cereals, snacks and baking needs, just to name a few. We also carry a good supply of non-food items like, paper towels, toilet tissue, dish and laundry detergent, soap, shampoo, toothbrushes, toothpaste, deodorant, razors, freezer and garbage bags plus a whole lot more. If you have any questions, call Joni Anderson or Cheryl Sistad.

Only in Minnesota: a weekly feature in the Eagle

Minnesota's Voyageurs National Park was named one of the world's best places to see the stars

Where do you go when you want to catch a star-filled glimpse of the night sky? If you're like many Minnesotans, you head to one of the state's remote parks, usually up north. Others may head to areas known for their starry skies, like the Boundary Waters or the small town of McGregor. Well, we'd like to add another entry to that list. The International Dark Sky Association, an organization that recognizes places free of light pollution, has designated Minnesota's only national park as an International Dark Sky Park. Voyageurs National Park is one of the best places not only in Minnesota but in the entire world, to see the stars.

Voyageurs National Park is a 218,000-acre national park in northern Minnesota. Given its remote location - and the fact that much of the park is only accessible by boat - Voyageurs draws fewer visitors than many other national parks.

The main draw of Voyageurs is its lakes. The park is made up of four large lakes and many smaller lakes. Boating and fishing are popular activities.

Of course, that's not the only reason to visit Voyageurs. The park is full of beauty around every corner, making it a photographer's or nature lover's dream. There are few things better than watching the sun set over one of the park's pristine lakes.

For some, the only thing better is when the sun fully sets. In the dark sky, millions of stars come out.

Because of the quality of the view, the International Dark Sky Association has named Voyageurs National Park an International Dark Sky Park.

Few other parks in the world make the list. Other examples in the United States include Grand Canyon National Park and Death Valley National Park.

The amazing nighttime views available at Voyageurs make it a must-visit spot for Minnesota nature lovers. In the daytime, enjoy the beauty of the untouched lakes. And at night, take in the incredible, star-spotted dark sky!

• SIMPLY DELICIOUS

By Kari Sundberg, Eagle Editor

Hot dogs are a favorite, especially in the summer and during all that 4th of July grilling coming up! While traditional preparations and fixing are always a hit, ketchup and mustard can get a little boring. Here are a few unexpected toppings that will pack a little more punch to your dog.

Banh Mi Dog – Add a Vietnamese twist with spicy mayo, sliced cucumber and shredded carrots.

Steak House Dog – Upgrade with tomatoes, onions and steak sauce to give them a steak house flair.

Peach Salsa Dog – Give hot dogs a fresh, spicy kick with a summer topping of peaches, chopped jalapenos and cilantro.

Guacamole Dog – For extra Tex-Mex twang, add guacamole and a scoop of salsa.

Cubano Dog – Top your dogs with ham, Swiss cheese, pickles and spicy mustard for a creative take on a Cuban sandwich.

Bacon BBQ Dog – Slather with bbq sauce, cheddar cheese and crumbled bacon.

Reuben Dog – Add sauerkraut, Swiss cheese and Thousand Island Dressing.

Tropical Dog – Bring a vacation vibe to your backyard with a fresh pineapple and sweet red cherry pepper topper.
