Gerald Langness is known for his peach pies, lefse and krumkake, all of which are award-winning. Literally. And he added another first place ribbon to his collection after one of his peach pies got the blue-ribbon win at Goose Festival over the weekend. Gerald has a few pies for sale at \$20/pie if anyone is interested in buying one. You can give him a call at 218-689-7421. The Grygla Eagle can personally vouch for the deliciousness in each bite as Gerald swung by the office with a couple of pieces to share!

IT TAKES A VILLAGE
"PEOPLE HELPING PEOPLE"
Est. 2021

The It Takes A Village fund recently received a generous donation from the Nesland Family in honor of their Aunt Bunny Nesland DuChamp who turned 100 on a nuary 23rd, 2022. The funds will be used to help kids and families in need of necessities, ranging from winter clothes to school supplies to many other things. We thank the Nesland family for their generous donation to It Takes a Village!

It Takes a Village is a fund that was set up by a generous donor. This donor was a teacher at one time. One of his young students came in from football practice one day and said some kids had thrown his shoes in a mud puddle and he didn't know what to do because his family couldn't afford another pair. The next day the donor had a new pair of spikes for the student. Over the years, the student would occasionally receive needed items from the teacher. The student asked how he could repay him. The teacher said one day, if you can, help someone else out. Fast forward years. The student, now grown, started a fund in Kittson County called Kidson Cares to help kids in need. Our donor was so inspired that he set up similar funds in some area schools. We use It Takes a Village to help people/families in need, or that are going through "something". We hope that these donations find good use for whatever situation recipients are experiencing today. If not, all we ask is that they pay it forward.
God Bless!

Minnesota Sheriffs Association 2022 Law Enforcement Scholarship Program
(Submitted by Ernie Beitel, Beltrami County Sheriff)
I am pleased to announce the commencement of the Law Enforcement Scholarship Program for 2022 will begin September 23, 2022. The Minnesota Sheriffs Association Board of Directors has established this fund for the awarding of up to 20 - \$2,000 scholarships for this year. These scholarships are due to the coordinated efforts of the 87 Sheriffs of the State of Minnesota.
The Members of MSA gives special recognition to the financial needs of students attending the peace officer skills course, or one of the two or four year law enforcement degree colleges. "The Board of Directors feel peace officers in our democratic society have complex duties to perform" said Sheriff Ernie Beitel and the MSA recognizes the importance of pre-entry training for people considering law enforcement as their career choice. MSA recognizes some students need outside help in meeting the costs of such training, even though they excel academically.
