Vol. 42 Number 46

A look at next week... Congratulations to the 2016 Grygla and Goodridge High School Graduates!

The Grygla 5th grade class held their graduation from the DARE (Drug Abuse Resistance Education) program last week, which was taught by Marshall County Sheriff's Deputy Angie Brekke. The students are taking with them the skills needed to make safe and responsible choices. Pictured above are, L-R: Chloe Osse, Devon Dickson, Dane Arveson, Kaylor Torgerson, Sheldin Sundberg, Jackson Grossman, Kia Klein, Emily Carlson, Ahna Stanley and Deputy Sheriff Angie Brekke. Kaylor Torgerson and Kia Klein were chosen to read the essays they had each written, sharing with the audience what they learned and what their personal goals will be concerning DARE in the future.

Grygla High School National Honor Society held their induction ceremony on May 4th. New members are seated in the front row and include, L-R: McKayla Vad, Ashley Moe, Carlye Kiesow, Brooke Limesand and Alaina Monson. Back row: Principal Jamie Lunsetter, Madison Bakken, Shantel Verbout, Dustin Nelson, Erin Monson, Alison Satre and Advisor Beth Kucera.

The VFW Auxiliary recently hosted a Grygla Elementary Poppy Poster contest. Judges awarded the 1st-6th grade winners with cash prizes. The poppy is the official memorial flower of the Veterans of Foreign Wars of the United States. Memorial Day will be observed on May 30th, 2016.

1st grade winners: Jens Oslund (3rd place), Landon Nordby (2nd place), Colbie McManus (1st place)

2nd grade winners: Janessa Torgerson (3rd), Raymond Moe (2nd place - not pictured), Mollie Lunsetter (1st)

3rd grade winners: LaKylie Brobst (3rd), Addison Severts (2nd), Anna Sundberg (1st)

4th grade winners: Blake Rychlock (3rd), Chelsie Nelson (2nd), Lewis Jones (1st)

5th grade winners: Kia Klein (3rd place), Devon Dickson (2nd place), Kaylor Torgerson (1st place)

6th grade winners: Avery Moe (3rd place), Nolan Anderson (2nd place), Walter Jones (1st place)

Chix from the Stix prepare for Marshall County Relay for Life

Each year, more than 4 million people raise much needed funds and awareness to save lives from cancer through the Relay for Life movement. The Marshall County Relay for Life is set for June 3-4, at the Marshall County Fairgrounds in Warren. During a Relay event, participants and survivors celebrate what they've overcome. People lost to the disease are remembered, and people who have fought or are fighting cancer are honored.

This is the 4th year Grygla has had a Relay team. Chix from the Stix have made great efforts over the last few years in the fight against cancer. Last year, they were the top fundraising team in all of Marshall County, raising over \$11,000!

One of the most frequently asked questions about the funds raised by Relay for Life is where does the money go? Every year, the Relay movement raises more than \$400 million. The American Cancer Society puts these donations to work, investing in ground-breaking research in every type of cancer and providing free information and services to cancer patients and their caregivers.

This year, Chix from the Stix members have raised over \$6,000 thus far and have a goal of \$12,000. Their next fundraiser night will be held at the Veteran's Gazebo in Grygla on June 16th. (More event details to come.)

The team is busy with individual fundraising, but also with various fundraisers around town. There are "Change Cancer" drop boxes placed around Grygla, in which you can make a donation by putting in your loose change. The group is also selling luminaries, which are bags that can be purchased in memory or in honor of a cancer patient. The luminaries will light the walking path at the Relay event on Friday evening, June 3rd.

The Marshall County Relay for Life event begins at 4:30pm on Friday, June 3rd, with a survivor registration. From 5-6:30pm, there will be a community supper. The opening ceremony begins at 7pm. There will be a silent auction going on from 6pm-midnight. At approximately 9pm, will be the luminary lighting ceremony. The Chix from the Stix invite you to visit their team campsite that evening!

Chix members include: Karen Severts (Captain), Carole Aune, Jean Johnson, Nadine Wold, Nikki Leach, Ruth Anderson, Cassie Bessler, Tonia Haack, Jackie Moe, Jodi Schulz, Karina Tinnes, Lisa Newton, Maureen Monson, Missy Saurdiff, Susie Olson, Stephanie Schenkey, Lindsay Oslund, Renae Westbrook, Hazel Thomas, Tausha Severts, Shaunna Olson, Audrya Nelson, Tera Nordby and Rose Hanson.

Grygla City Council approves April Minutes

The regular meeting of the Grygla City Council was held on Monday, May 9th, at 7pm. The agenda included the approval of the April 11th meeting minutes, which are included below for your reference. It takes heart to be a hero

For four years now, Grygla Physical Education Teacher Brady Olson has had his students participate in a worthy cause.

Grygla 3rd-5th graders recently completed their 'Jump Rope for Heart' fundraiser, which raises money for the American Heart Association. Students had the opportunity to raise money on their own in return for prizes; the more money the students raised, the more prizes they earned.

This year, 20 students participated and raised \$3,347.00! Emily Johnson, Grygla 3rd grader, was the top fundraiser with \$426. She received a medal and got to be PE Teacher for a day. Students raising over \$300: Payton Dougherty, Lewis Jones. Over \$200: Kinsley Oslund, Ava Sorvig, Kia Klein. Over \$100: LaKylie Brobst, Addi Severts, Kian Ahlbeck, Christian Loken, Chelsie Nelson, Emily Carlson, Dane Arveson, Kaylor Torgerson, Ahna Stanley.

Lions meeting

The Grygla Lion's Club will be holding their May meeting on the 18th at Yo-Hawn's. Dinner is on your own starting at 6pm with the meeting to follow at 7pm.

We would like to thank everyone for the overwhelming support shown to me and my family for my benefit. To the Grygla Fire & Rescue for serving the food, Jeff Lund, Wayne Warne, and anyone who helped in anyway. To all the Grygla and area businesses for their generous donations, for the wonderful silent/live auction and raffle items donated.

The outstanding support from our community, friends and family makes us proud to live and be a part of such a caring community. Thank you again! We are truly blessed!!
Carter & Linda Torgerson and family

EXTENSION NEWS

Ticks with Lyme Disease
 With warmer spring weather, tick season is upon us. So far, NDSU Entomologists have identified the smaller black legged tick – commonly known as the deer tick, as well as the larger dog ticks (wood ticks) from areas in North Dakota and Minnesota.

The Center for Disease Control and Prevention (CDC) recommends the following strategies to prevent tick bites:

- Minimizing direct contact with ticks by avoiding woody and high grass areas and walking in center of trails, if possible. Ticks are most active in May through August in our area.

- Use repellent with 20-30% DEET on exposed skin and clothing. This should provide several hours of protection.

- Quickly find and remove any ticks from body by using a tweezers. Grasp tick close to skin and pull straight up to avoid breaking off the tick's mouthparts in the skin. Clean bite area with rubbing alcohol or soap and water.

- Inspect and bath yourself within 2 hours after coming indoors to find any ticks crawling on you and to remove them before they attach to feed on your blood. Ticks like to hides in hair, armpits and other areas that may be difficult to inspect.

- Wash any clothing that you were wearing soon and then dry in high heat for an hour to kill any ticks. Otherwise, ticks can attach to you later after hitchhiking on your clothes into home.

- Reduce tick habitat near home.

- Keep lawns mowed around home.

- If you live in the country, considering the addition of chickens or guinea hens on your property. Both are wonderful nature tick control, plus you get the bonus of eggs and/or meat! Also, keeping the grass low with grazing animals (sheep or goats especially) in the areas around the yard that are difficult to mow will also help keep ticks at bay.

- Place a 3-ft wide barrier of wood chips or gravel between lawns, patio or play areas and wooded areas to prevent tick movement.

- Exclude wildlife (especial-

ly deer) that may be carrying ticks into your yard.

- Some insecticides registered for control of ticks by homeowners in residential areas include: carbaryl (Sevin®), cyfluthrin (Tempo®, Powerforce™), permethrin (Astro®, Ortho® products, Bonide® products), and pyrethrin (Pyrenone®, Kicker®). Always read and follow the EPA approved label on the product container.

The CDC reports that Lyme disease was the fifth most common 'National notifiable disease' in 2014 and about 300,000 people get Lyme disease each year. The black legged tick (deer tick) vectors Lyme disease. Lyme disease is concentrated in 14 states in the Northeast and upper Midwest regions.

The incidence of Lyme disease was near 16.4% in Minnesota and <1% in North Dakota in 2015. However, deer ticks are moving west into North Dakota and is considered established in northeastern North Dakota. The North Dakota Department of Health confirmed Lyme disease in five counties last year: Cass, Grand Forks, McIntosh, Mercer and Towner counties. A Survey of Ticks and Tick-Borne Pathogens in North Dakota that was published in the Journal of Medical Entomology also confirmed black legged ticks in six counties: Eddy, Grand Forks, Pembina, Ramsey, Rlette, and Steele counties.

Lyme disease is caused by the bacterium Borrelia burgdorferi. Symptoms of Lyme disease includes: Bull's eye rash, headache, fever and fatigue. In a worst case scenario, infections can cause arthritic joints, and affect the nervous system causing facial paralysis, and spinal cord, brain or heart problems. Lyme disease must be treated immediately with antibiotics. It can take 2 to 3 weeks to recover if treated early. The later you wait for treatment; your symptoms will become more severe and more difficult to cure. For more information, please see the CDC website: <http://www.cdc.gov/Lyme/>

For more information contact me at stordahl@umn.edu or 800-450-2465. Most of this article was provided Janet J Knodel, NDSU Extension Entomologist.

A Note from Principal Lunsetter’s Desk

“Be the change that you wish to see in the world.”
 – Mahatma Gandhi

I really don’t like the word “want”. It’s not that it’s an awful word with a terrible meaning, it’s just that I don’t like how people use. People say I want “this” or I want “that”, and they do absolutely nothing about it. The treat “want” like a passive verb, like it’s leading them towards a dream or a fantasy. I would be much more comfortable with that word if everyone used it as an action verb. People should say, I want this, and then they actually form a plan, get to work on it and then make it happen. That doesn’t ensure success, obviously, but when we go after things in a positive way, we experience growth, and we develop perseverance and strength. Gandhi goes even a step further...he is saying forget about “want” altogether. He is telling us to just do it...to conduct our lives the way we think the world should be. We should be an example for those around us, and when they see what we are doing and why we’re doing it, they are going to follow along. We have the power to start positive change today, right where we are. Believe that what you do makes a difference and then make a positive impact on those around you....
 BE THE CHANGE YOU WISH TO SEE IN THE WORLD.

SIMPLY DELICIOUS

Who doesn't love a good homemade tea recipe? Especially when summertime is right around the corner! This is a copycat recipe of Sonic's Peach Tea and it's sure to be a hit with your friends and family. Perfect for summer picnics, weddings, showers, etc. This is one you'll want to make over and over again.

- Easy Peach Tea
 Ingredients
 Syrup:
 1 c sugar
 1 c water
 2-3 sliced fresh peaches

Tea:
 3 tea bags
 6 cups water
 Directions: Bring syrup to a boil then reduce heat to medium. Crush peach slices as you stir to dissolve sugar. Turn off heat, cover, let sit for 30 minutes. Next, boil water and brew tea letting steep 5 minutes. Remove tea bags and refrigerate. Strain syrup through a fine strainer to remove fruit pieces. Add syrup to tea and serve over ice! (You can add more peach slices for garnish.)

Whether you're looking for that perfect spot to pitch a tent, a cozy yurt or camper cabin, or accommodations for a large group, you can be sure you'll find it in a Minnesota State Park or recreation area. Many even offer year-round camping and lodging!

Find out what programs and events are scheduled at the park during your stay by visiting http://www.dnr.state.mn.us/state_parks/3month.html?jsp=/templates/listing.jsp&k=stpk&nd=90&o=startdate

Need some ideas to keep your crew busy? Check out the summer activities guide for adventure made easy at http://www.dnr.state.mn.us/state_parks/starter_kit/index.html

Minnesota state parks and trails have outdoor adventures to keep you and your family active and engaged all season long. There are peaceful parks, parks with waterfalls or exceptional stargazing, parks with unusual things to see like underground mines, parks with fantastic wildlife viewing or swimming beaches with lifeguards, and parks with fewer bugs than others. Places to bike, swim, paddle, fish, rock climb, scuba dive, and geocache. Adventure is easy and the sky's the limit—so get out there and have some fun!

Got your reservations booked? By visiting the websites listed above, you'll find a handy camping supply checklist! Sometimes it can be hard to figure out what to pack, especially if you haven't done a lot of camping before. The provided list is a good starting point for most people. Of course, if you are staying in a non-electric tent site you won't need your phone charger, and if you are staying in a canoe-in site you will need a bunch of extra water-related things...but this list is a good basic starting point. (And don't forget your food, just because it isn't spelled out on the list!)
