Vol. 43 Number 6

A look at next week... Grygla School starts Tuesday, September 6th; everything you need to know as you gear up for the new school year.

FUN-damentals volleyball camp

The below high school volleyball players participated in a Fun-damentals volleyball camp last week. The 3-day camp was coached by Larry Woodbridge and Jason Heydt. Larry “Woody” Woodbridge has been involved in coaching in the Midwest for the past 25+ years, including UND Fighting Sioux assistant coach, UM-Crookston assistant coach and Co-Director/coach for NVJ Junior Olympics. Heydt brought lots of experience to the group of girls as he was a former head volleyball coach in Grafton, ND, and a JV coach at Grand Forks Central.

Front row, L-R: Alaina Monson, Jamie Dougherty, Nichole Arveson, Mataya Sargent, Maddison Cullen, Chloe Kuzina, Mercedes Coan, Hailey Knutson. Middle: Kaitlyn Olson, Alison Satre, Carlye Kiesow, Maci Bakken, Layla Jelle,

Varsity Head Coach, Brooke Olson, says along with learning the fundamentals of volleyball, the girls loved the camp and it was a fun way to kick off the volleyball season that is just around the corner!

Volleyball practice starts August 15th; the team has their first scrimmage in Grygla on August 25th, followed by the first game on August 29th in Warren. GO CHARGERS!

Alison Satre, an upcoming Grygla Senior, says, “This is a small camp, so the coaches are able to walk around and talk to each of us individually; they have a lot of knowledge for the game of volleyball!”

Goodridge/Grygla grade school students were also invited to attend the volleyball camp that was held last week. Youth athletes included, front row, L-R: Tiana Banesau, Taylyn Banesau, Morgan Coan, Chesney Salo, Ava Halvorson, Emilea Johnson and Samantha Nordby. Youth Firearm Safety course

The Youth Firearm Safety course will be held Saturday, September 17th, at Grande Corner. The all-day range course begins at 8:30am where students will walk through different scenarios with firearm safety instructors.

Before attending the range course, students must complete the online portion of the course, which does take some

time, according to instructors. To get a started with the program, students can visit www.huntercourse.com; choose your state, enter your DOB and it's self-explanatory from there.

Volunteer instructor and Fourtown/Grygla Sportsman's Club member, Donald Haack, says in order to attend and participate in this event, students must be age 12 by this firearm

season; firearm safety certificates are not valid until age 12.

Students are asked to bring their online course completion certificate with them the day of the range course at Grande Corner.

For any questions, please call Donald Haack at 218-294-6325.

Be sensible - be safe; plan to attend this local offering.

“Good things come to those who bait!”

Oliver Smeby and Owen Wellman enjoyed a day at the gravel pit east of Grygla last Sunday! They were catching little fish with just corn on their hooks.

American State Bank celebrates its 40th anniversary

Written by Carlye Kiesow, Eagle Intern

The American State Bank of Grygla has recently just celebrated its 40th anniversary! The bank first opened its door in the summer of 1976. The very first president of the bank was Fred Sorenson. He first conceived the idea of a bank in 1973. At that time a group of people went down to St. Paul and discussed with banking commissioner, Robert Manpel. Shortly after this meeting the application was submitted for a bank charter. A hearing was held on July 23 in St. Paul.

On October 30th, 1974, Fred Sorenson was notified by the commerce commission that the bank charter had been approved. In August of 1975 an application was submitted to the Minneapolis office of the Federal Reserve Bank. On April 1st, Robert Sorenson received official notice that the application for membership in the Federal Reserve System had been approved.

Some other of the first staff at the bank also included Jim Haug, Vice President and cashier. Ruth Haug as a full-time secretary. Judy Irlbeck as a full-time teller. The Directors of the bank included Richard Engelstad, Arnold Stanley, Delmar Hagen, Henry Holte, Victor Schmidt, and Fred Sorenson.

Shortly after opening, the bank hired their first full-time insurance agent Lynn Anderson. Before the bank first opened, the Grygla Co-op was serving as a makeshift bank for the town of Grygla, cashing a large amount of checks for the area. The manager of the Gry-

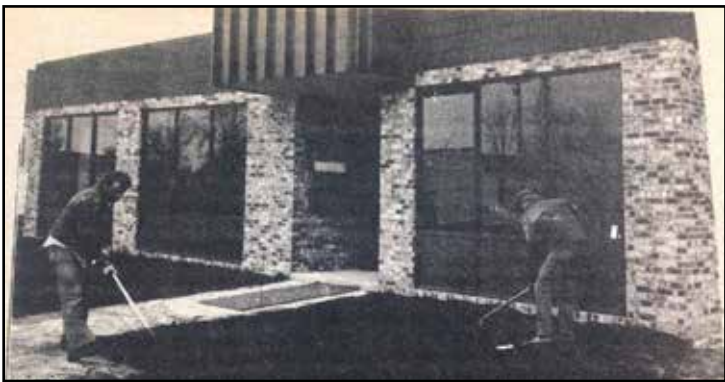

gla Co-op, Donald Verbout, was the very first customer to open a new account at the bank.

When the bank first opened the hours were only 9-3 Monday through Friday and from 5-7 on Monday night. The banking hours as of today are 8:30-3 Monday through Friday and from 4-6 Wednesday night.

The Grygla bank has flourished while continuing to grow in the services they offer and branching out to other places. On September 8, 2014 they merged with the Erskine bank to serve a whole new market and build on traditions established by both organizations.

Besides acquiring new branches the bank is kept quite busy not only with day to day business but many community activities. They have given away many local scholarships and given donations to programs they chose to. The ASB of Grygla has also participated in the centennial basketball fundraiser winning the best dressed team award from their costumes of Gru and his Minions. They also have in the bank competitions like their pumpkin carving contest, in which they display submitted pumpkins in the bank for people to see. Every year near Christmas they also give away a wagon of toys for a child. It is a random drawing and gets the kids very excited.

The bank also offers many services including Safety deposit boxes, Cashiers Checks, U.S. Savings bonds, and many more services. So stop by the American State Bank of Grygla and let them help you with your every banking need.

Then and now: The American State Bank of Grygla getting the final touches before opening its doors in 1976. The bank has been up and running for 40 years.

The Impact Of Agriculture

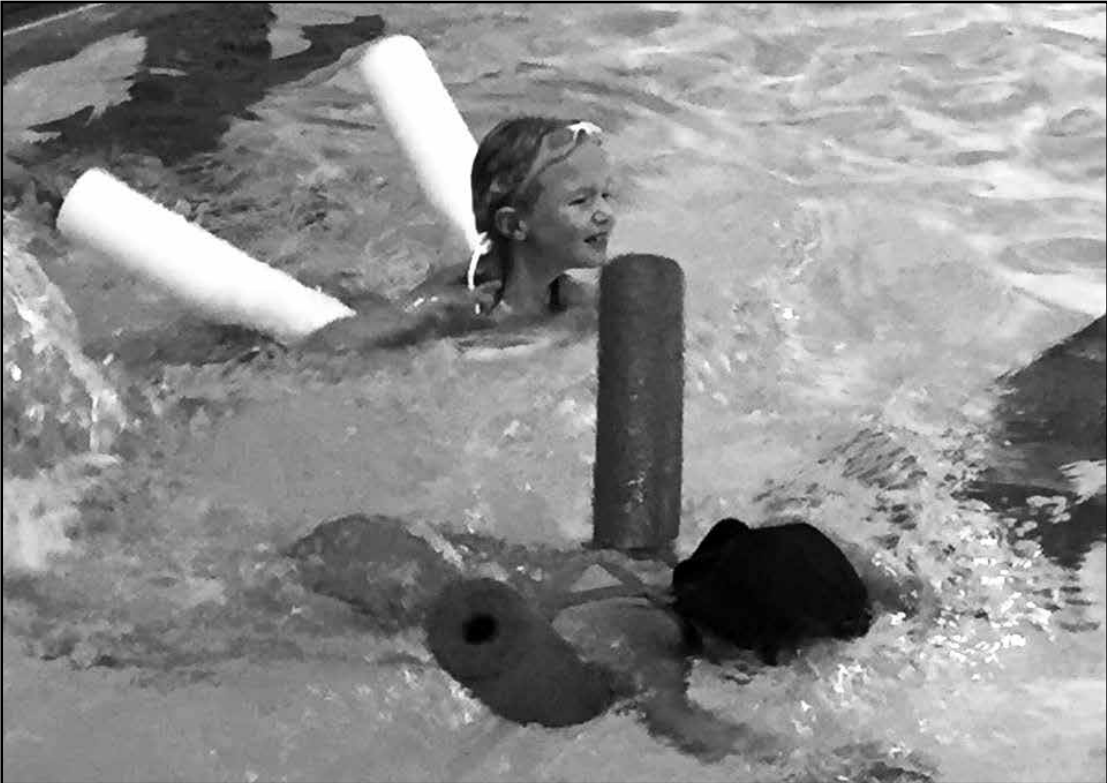

From our nation's earliest days, Agriculture has played a major role in the United States economy. America's Farmers and Ranchers cultivate the soil, plant the crops and raise the livestock necessary for our nation's food supply.

Today more than 21 million American workers produce, process and sell the nation's food and fiber. As an Ag Bank, we consider it a privilege to be involved in financing agriculture. If we can be of help to you, come see us.

Speaking of Sundbergs, Lee jokes, “You know it’s going to be a long winter when I’m out picking chokecherries!” He enjoys venturing out during prime-picking season and coming home with gallons of berries for his wife, Kandy, to make delicious syrups, sauces and jams. He’s also been known to kindly share some with his daughter in-law (who loves chokecherry syrup....very much....hint, hint). If you’ve been busy picking berries and including them in a delicious recipe, feel free to send them to the Grygla Eagle to be published at grygla.eagle@gmail.com.

► CARLYE’S COUNTRY CUISINE

Blueberry Cobbler

Recently me and my friend, Trystan Jelle, went blueberry picking. Granted we didn’t do as well as most do out there, but we did come home with at least enough for one desert each. I decided to make a cobbler. This recipe did make a mean cobbler; it had really good flavor and didn’t last very long at my house. I did make some super minor changes in the recipe, though. I did not add the lemon zest in the filling. Also in the finishing touches I didn’t add nutmeg or cinnamon, but you can totally add those things for extra flavor. I did bake mine for a full 50 minutes, but always make sure to keep a close eye on it. No one wants burnt, hard crunchy topping on their berries.

Ingredients

For the filling:

6 cups fresh blueberries
1 cup granulated sugar
2 teaspoons freshly grated lemon zest
3 tablespoons all-purpose flour

For the crumble topping:

1 cup and 5 tablespoons all-purpose flour
6 tablespoons granulated sugar
1 ½ teaspoons baking powder
¼ teaspoon salt
6 tablespoons unsalted butter, chilled and diced into bits
1 egg

So this weeks DIY isn’t something you can nail together or hot glue pieces to. This week I will be giving you a couple ideas for different types of summer drinks. All of these are nonalcoholic but if you are of age and want to make them alcoholic you surely can, whatever suits you to it. On both of these you can add more or less of certain items to make the drink to your liking.

Goodridge Parish hosts Pathways Day Camp

The Goodridge Lutheran Parish hosted a busy and fun few days last week! They put on a Pathways Day Camp for all area kids to attend. Ages participating in the exciting and faith-exploring event were Preschool-6th grade; 90 kids were registered for the camp!

The camp was held August 1-4 and ran from 9am-3pm each day. All three Lutheran churches helped out with the camp, but it was held at Faith Lutheran Church. The theme of the Pathways Camp was "The Jesus Way." Groups of kids enjoyed theme days, which included learning more about feeding, forgiving, loving thy neighbor and serving humbly. Camp opened each morning with worship and followed with bible party games, snacks, arts & crafts, games, sing-alongs and the day ended with closing worship services. Meet the teacher night is coming up

From 4-8pm on August 30th, Grygla teachers will be in their classrooms for an informal "Meet the Teacher" night! Parents and students are encouraged to come and meet their teacher and find out what to expect in their classroom. Teachers will have classroom rules, schedules and other information available for you to review. The office will also be open; avoid the first day of school waiting lines and stop in to drop off forms and pay lunch bills.

7th grade students and parents will have an orientation meeting at 6pm in the library that evening. You will go over what to expect in high school and introduce the high school teachers.

9th grade students and parents will have their orientation meeting at 7pm in the library. The major focus of this meeting will be on student schedules and the importance of planning your classes for the future.

The school store will be open that night from 4-8pm. Also, the Grygla School Board will have their annual BBQ that evening from 6-8pm so make sure to stop by outside of the school for some grilled grub!

Many local volunteers helped make camp a success; pictured is Chelsey Johnson helping Ellie Hruby and Nora Philipp with an art project.
