Simply Delicious

Queso Meatballs
Written by Kari Sundberg,
Eagle Editor

I wish I had exact measurements to share with you, but I just sort of “dumped” all this stuff into my bowl and rolled with it. Plus, I feel like it’s acceptable as everyone’s taste buds are different, so add however much of this stuff that you want.

I made 104 meatballs using 6 pounds of hamburger, but that’s because I was going to a big family Christmas. Normally, I would make 2 pounds and use a small crockpot.

Ingredients:
2 lbs of hamburger
½ box of Stove Top stuffing mix

A couple hearty shakes of Kellogg’s Corn Flake Crumbs
A few shakes of Worcestershire sauce
A few shakes of garlic powder

2 eggs
2 jars of Tostitos Queso Blanco Dip

I mix all of that together, form small meatballs and put them on a cookie sheet. Bake at

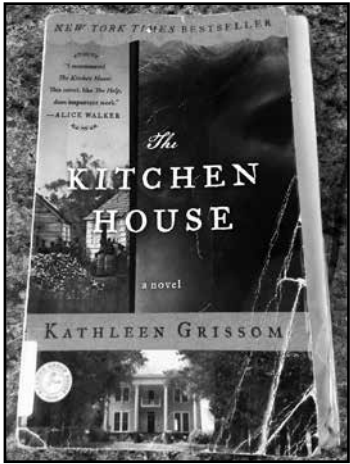

350 degrees for approximately 30 minutes, until they are definitely brown and cooked fully, making sure they don’t get too overdone, though.

Put them on low in the crockpot and pour your jars of queso over the top. I made these with the white Queso Blanco dip, but actually prefer the yellow Salsa Con Queso dip better. You pick, though; they’re your meatballs! (And watch for some soup recipes starting next week as January is National Soup Month! SO EXCITING as soup is my fav! I will be sharing soup recipes the whole month, feel free to do the same and send me some at grygla.eagle@gmail.com

phoned on her passage from Ireland, arrives on the steps of the kitchen house and is placed under the care of Belle, the master’s illegitimate, black daughter. Lavinia learns to cook, clean, serve food, and cherish the quiet strength of her new family.

In time, Lavinia is accepted into the world of the big house, caring for the mater’s opium-addicted wife and befriending his dangerous yet protective son. She attempts to straddle the worlds of the kitchen and big house, but her skin color will forever set her apart from Belle and the other slaves.

Through the unique eyes of Lavinia and Belle, Kathleen Grissom’s debut novel unfolds in a heartbreaking and ultimately hopeful story of class, race, dignity, deep-buried secrets and familiar bonds.”

I have a great appreciation for the books that stick really stick with you, even if they contain stories that are sad and tough to read about, and this book really takes you on an emotional journey that’s hard to even fathom, but it’s SO worth the read. It definitely left me wanting to know more of Lavinia’s story...

Fabian announces committee assignments

On Tuesday, December 20, 2016, House Republicans unveiled committee assignments for the 2017-2018 legislative sessions. Representative Dan Fabian (R-Roseau) who was named Chair of the Environment and Natural Resources Policy and Finance Committee late last month, will also serve on the Job Growth and Energy Affordability Policy and Finance Committee, as well as the Ways and Means Committee.

Moran is also available to make home visits for people with big things or fragile things (or a lot of things). House calls are \$75 an hour and there is no mileage charge if within 10 miles of the appraisal event site. To arrange a house visit, call 715-281-5060 or email moranm1953@gmail.com.

Questions about objects not covered here can be submitted to Moran in advance to determine if they are appropriate. Suggested categories for advance inquiry include, but are not limited to: Oriental, Native American and other tribal objects (African, Oceanic); ancient artifacts (Egyptian and other early cultures); fossils and minerals; books; automotive items; nautical and military-related objects; records; antique tools and technological objects (typewriters, cameras, assorted machinery or instruments for scientific measure, like sextants, telescopes, microscopes, etc.). When in doubt, email inquiry can often address this.

I sent an email to Mr. Moran and asked the time frame each individual will have with him, along with how many items each person was limited to; I am waiting to hear back from him and will have more information for you in next week’s paper.

So, that’s all for now! I hope you plan to attend that exciting event and I hope you each reach for a great book this week. See you at the library.

Double overtime on Parent's Night

It was an exciting and intense game of basketball in Grygla last week. The boys basketball team held Parent's Night on Thursday, December 22nd. Roseau came into town and was defeated 78-83 in double overtime!

Gast says, "This was a much needed win for us. We needed to bounce back and get in the win column. We didn't play a perfect game by any means, but we played tough and didn't quit. We played with a lot of grit and intensity. We made some big plays and hit some crucial free throws down the stretch. I'm very happy for our team!"

Scoring: Blaine Kriel 32, Ben Groven 18, Dylan Manderud 12, Blake Nerhus 8, Hogan Lundeen 4, Jesse Wiseth 4, Dylan Walker 4, Brandon Stanley 1

Rebounding: Kriel 13, Groven 12, Walker 9, Lundeen 5, Manderud 5, Wiseth 4, Nerhus 3, Stanley 1, Cameron Naeseth 1

Though there is a break from school, the boys will be playing this week in Goodridge. On Friday, December 30th, the Chargers host RLC with 7th beginning at 3pm, 8th at 4pm, C at 5pm, JV at 6pm and Varsity to follow.

Double Header up in Baudette

Last week on Monday, December 20th, the girls and boys basketball teams headed up to Baudette to play in a double header against LOW. The girls won their game by two points (52-50), while the boys lost their game by just one point (56-57).

Girls scoring: Ashley Moe 8, Hannah Dietsch 10, Ashlyn Henrickson 15, Brooke Anderson 10, Alison Sature 7, Mercedes Coan 2.

Girls Varsity Head Coach Elroy Johnsrud said, "The girls played hard this game. We were down 7 with about 3 minutes to go, and the girls kept fighting to squeak out the win. LOW shot a very good shooting percentage to stay in the game. We were leaving them to open. We had pretty even scoring between our players again which is what we will have to do most of the season. We don't have a game until after the New Years now, and we should be getting a couple girls back."

Of the boy's game, Varsity Head Coach Mike Gast commented, "I'm not sure if I have words for this game. We didn't do the things to win the game. LOW played well and wanted it more than we did. Tough loss... hopefully we learn from it."

Scoring: Blaine Kriel 17, Dylan Walker 17, Ben Groven 11, Dylan Manderud 7, Jesse Wiseth 2, Brandon Stanley 2

Rebounding: Groven 10, Walker 8, Kriel 5, Manderud 5, Hogan Lundeen 3, Wiseth 1, Blake Nerhus 1, Cameron Naeseth 1

Dylan Walker (12) and Dylan Manderud (23) in the GG vs. Roseau game last week. Walker had 4 points in the game while Manderud had 12.
