Clearbrook City Council discuss summer construction project at meeting on March 9

By Bonnie Kirchman

The Clearbrook City Council met for its regular scheduled meeting on Monday, March 9, 2020. Engineers from WSN, Karvacko, and Clearwater County were in attendance to discuss construction projects that are scheduled for 2020 and 2021.

Curt Meyer, engineer from WSN, updated the council on obtaining easements, the next step in the water and sewer project. A special meeting was held on February 26, 2020 and residents owning property affected by project easements were invited to attend to receive more information. The city will need to contact those who haven't signed the easement agreements. Meyer will be available deal with questions or concerns regarding easements for the project.

Clearwater County Engineer Dan Sauvé attended the meeting at the request of the council members to address their concerns about the impact of water and sewer project on street widths on First Avenue and Main Street. Following construction, these streets will be narrower and the city anticipates issues with parking, snow plowing and truck unloading.

Curt Meyer informed the council that the streets are currently wider than state guidelines allow. In addition, ADA requirements must be met in the new project.

"Basically, what you're saying is if we want the state aid, the state funding, we have to abide by the drawings," Mayor Dylan Goudge stated, referring to the plans for the project.

"It has to meet state aid standards," Curt Meyer confirmed.

Council members and city maintenance staff addressed their concerns about snowplowing to Sauvé. Currently, the snow on Main Street is often plowed to the middle of the street and then moved. It will

be difficult to have the streets passable before normal business hours with the narrower streets using the equipment owned by the city. After discussion on options for the snow plowing concerns, the council agreed to the solution of using a county worker during big storm events to help remove snow from Main Street in the early morning hours.

The council discussed the proposed parking plan for First Avenue and Main Street with Sauvé. *Some of the parallel parking currently allowed on these streets will be eliminated and replaced with parallel parking.* Fire Chief Adam Krog requested that parking in front of the apartments on First Street be eliminated to make it easier to back fire trucks into the fire hall. After discussion of the parking issues, the city council passed a parking resolution that accepts the proposed parking with the added change by the fire hall.

Zach Thoma, engineer with Karvacko, presented the board with a new wrinkle in the bike trail planning process. Funds that have been abandoned by another city have become available to the project, with the stipulation that the city matches the money with 20% local funding. Local funding can come from the city or other sources, including grants. If the city chooses to use the entire \$100,000 available through the additional funding, the state and federal funds would cover \$335,000 of the project cost. The city's portion would be \$83,750, for a total project cost of \$418,000. The additional funds could be used for extra features for the trail, such as flashers. The council members passed a motion to accept the additional funds for the bike trail project.

Clearbrook Elevator Association Holds Annual Meeting

By Bonnie Kirchman

The Clearbrook Elevator Association's Annual Meeting took place on Friday, March 6, 2020. The association members met at the Clearbrook Community Center for a meal at noon, followed by the business meeting.

President Scott Fawver called the meeting to order at 1:00 p.m. David Larson, Secretary/Treasurer, read the minutes of the 2019 annual meeting which were then approved by the association.

Joel Piekarski, auditor for CarlsonSV of Fergus Falls, presented the financial statements. Sales of \$2,388,685 for 2019 were down from sales of \$2,465,559 in 2018. Cost of sales for 2019 were held at 80.6% compared to 81.4 % for 2019, resulting in a very comparable gross margin. Weather impacted operating expenses at the elevator, with the longer than usual harvest season requiring more overtime hours. This caused utility expenses

and payroll expenses to increase in comparison to prior years. Health insurance costs for 2019 are also up from 2018.

Piekarski also presented five-year historical information to the association. He pointed out that sales for 2019 were the lowest in the five-year period, due in part to the current grain prices. However, the gross margin both in dollars and percentage has been comparable over the long-term. Piekarski also reminded the members that grant money received in 2015 bolstered the income for that year and should be taken into consideration when looking at the variation in income over the past five years.

Manager Les Westrum began his report by thanking those present for the good turnout. He described 2019 as a year to forget, with weather adversely affecting the whole season, from spring planting to the fall harvest. Prices also made the year difficult for farmers. Larger ex-

penses for the elevator in 2019 included \$12,000 in repairs to the feed mixer and \$6,500 in repairs to the feed truck.

Westrum added that plans for 2020 include cutting some expenses, including a contract with Purina for a feed specialist. To increase safety at the elevator, a new rule requiring two people be present when unloading grain has been implemented. Westrum also stated that the new grain bin came in handy during the harvest season.

Westrum closed by thanking the elevator employees. He thanked the board, especially out-going president Scott Fawver who has served for nine years. Westrum also expressed appreciation to the elevator customers for their continued support and reminded everybody that the elevator has seed ready for the new planting season.

President Scott Fawver continued the meeting with a call for old business. Members

Nursing Service has oversight of Corona Virus public concerns - 'The best way to stop the spread of germs is to wash your hands!'

By Karen Edelbach

The Clearwater County Board of Commissioners met on March 10 to hear from Nursing Service, Sheriff, Soil and Water Departments, and the Engineer for opening of bids for this year's needed County highway work.

Director of Nursing Marissa Hetlund addressed the public concerns related to the Corona Virus (COVID-19) outbreak in the United States and what is being done locally to stop the spread of germs in Clearwater County.

"There is so much on the media, not necessarily all true," Nursing Director Marissa Hetlund stated.

"There is Department of Health participation every week here, and test kits are expected to be available. The Health Department never said they were short on them, but will be used only for testing those with symptoms."

She said they are having difficulty in getting additional masks here, which do expire. When asked about hand sanitizer, she said there has been no problem with that locally.

Since the meeting on March 10, Director Hetlund said that to date, the Cornerstone Nursing Home and Assisted Living are restricting visitors to curb the spread of germs.

"This is the time to hunker down when possible to slow down the spread of germs," she adds. "Use common sense. We are getting updates constantly."

She said they are now having difficulty in finding hand sanitizer, but the washing of hands is a greater defense against the spread of germs.

Facts sheet provided by Director Netland about the Corona Virus states:

- The risk of getting CO-

VID-19 in the U.S. is currently low.

- You can help stop COVID-19 by knowing the signs and symptoms: (fever, cough, shortness of breath) seek medical advice if you develop symptoms AND have been in close contact with a person known to have COVID-19.

If there are questions, please call the Nursing Service at 694-6581.

Motions to approve the second year of phased retirement for Lynn Riggs CCNS employee, and hiring of Dayna Wang as Home Health Aide/School Health Para part time were approved by the Board of Commissioners.

Primary Election: The County will be reimbursed for the costs for the primary elections in the County and Townships.

"There were 4,643 registered voters at the beginning of the day, and 59 more registered the day of the primary," Board Coordinator Emily McDougall reported. Of registered voters, 1030 voted, approximately 22%.

County Engineer, Dan Sauvé received bids for upcoming projects to do pavement markings, regravelling, grade widening and culvert replacements on CSAH 2. After he reviews the bids, a motion to award the projects will be presented at next week's board meeting.

The Engineer was authorized to advertise for heavy equipment operators and hold a "Roadeo" to evaluate the skills of applicants for potential future employment as the department is down two operators.

"Could you look at past Road-eo candidates to fill the positions?" was asked.

"We did look at the last list

and being a year old we feel it is better to get a new list. The old applicants can still reapply and we will get new applicants to consider," was the reply.

Engineer Sauvé talked recently with the Clearbrook City Council regarding the upcoming road project there. They have concerns about temporary snow storage on Main Street after the new road is built, due to the new road being a little narrower than the old road. He plans to work with the City and make adjustment to help deal with the snow so it does not have to be left down the center of Main Street. Maybe send a County loader to help push the snow down the street for temporary storage until it can be hauled out after the storm.

There was a discussion on a DNR permitting hearing for the Enbridge Line 3 replacement, the Commissioner would like the Engineer to attend that hearing and give comments. Sauvé noted that keeping the old pipeline running and not replacing the pipeline would cause much more road interruption and wetland impact than replacing the pipeline. A new pipeline can be bored under roads and critical wetland areas, while repairs to the old pipeline can cause tearing up of roads and wetland to repair the pipeline. Replacing the pipeline will be much better than trying to keep the old one running. Regarding the existing pipe line, he says that to repair it there is expectation that there will be multiple interruptions on roads, but with the new one it will be bored under the roads and wetlands would be protected.

"This is much safer, and

Fire Department contracts complete

The 2020 Gonvick Fire Contracts have been completed for the year. **Cost for the City and Townships are:** \$2,052 for Greenwood; \$4,555 for Hangaard; \$14,249 for Pine Lake; \$9,272 for Winsor; \$875 for City of Gully; \$575 for City of Trail; \$5,272 for Johnson; \$10,856 for Eden and \$10,099 for Gully Township.

Breakdown of calls and meetings for 2019: 45 Medical Assist; 3 Structure Fires; 1 Grass fire; 4 Other Fires; 14 Misc. Other; 1 Mutual Aid; 13 Training; 11 Meetings for a total of 95.

Breakdown of calls for 2019 by Location: Eden TWP 2; Johnson TWP 2; Pine Lake TWP 13; Greenwood TWP 1, Gully TWP 0; Winsor TWP 2; Hangaard TWP 0; City of Trail 2; City of Gully 6; City of Gonvick 42; Clearbrook Mutual Aid 1, Meetings 11, Training 13 for a total of 95.

2019 Charges paid by City of Gonvick for the Fire Department. \$2,686 for General Liability Insurance; \$6,955 for Electricity; \$1,637 for Heat/Propane; \$35 for Civil /Defense - Fire Siren; \$3,783 for Worker's Compensation \$2,250 for Municipality Share 45%, \$320 for Office Supplies for a total of \$17,666.

Gonvick Fire Department Expenses include \$15,679 Fireman's Relief; \$2,610 Fire Repairs/Maintenance; Fire Fuel \$1,243; Fire Telephone \$765; Fire Rent \$2,750; Fire Other Services/Charges \$2,695; Fire Compensation \$1,700 for a total of \$27,732.

Market Value for 2019: Greenwood 6,180,615; Hangaard 13,712,300; Pine Lake 42,886,800; Winsor 27,912,500; City of Gully 2,632,600; City of Trail 1,715,400, Johnson 15,873,950, Eden 32,666,475, Gully Township 30,395,000 for a total of 173,975,000.

James Kumpula with his two daughters, Savannah and Kaitlyn, at the Daddy Daughter dance that was put on by the Clearbrook Fire Department last weekend.

Participants at the grand march for the Father-daughter dance put on by the Clearbrook Fire Department. Shown are Guy Mathson and Bailey Mathson. In the front Chasity Mathson and Malea Mathson.

Community Calendar

Samhold Ladies meeting March 19

Samhold Women NALC will meet in church basement in Gonvick on Thursday March 19th. Business meeting at 2:30pm followed by Family Safety Network guest speaker Misty Bjerklie. Their belief is direct advocacy and education is vital to breaking the cycle of violence. Meal will be served 4-5:30 pm. Taco Salad, Fresh Fruit w/dip, assorted bars, coffee & lemonade. Adults \$5, Students under 12 \$2, Preschool free, Take outs \$5.

Servers will be: Peggy Arlaud, Renae Bakke, Tamara Anderson, Barbra Brooks, Dani Churness, Jackie Crane, Bonnie Erlandson, Marion Evje, Aimee Gerlofs, Stacy Halvorson, Kelly Klema, Brooke Dyrdahl, Beverly Hammes, Jamie Hammes, Shirley Ness, Donna Lewis, Debbie Moy, Darlene Peterson, Ashley Reichert, Brenda Skime, Kendra Bakke, Kim Solberg, Eilene Vanderport, Kari Vinson.

First Call

Are you or someone you know experiencing a mental health crisis? Looking for a support group for someone going through a divorce? Or maybe you just need someone to listen to your problem and help you come up with some options for dealing with whatever the issue may be. First Call 2-1-1 offers non-judgmental, active listening, connections to emergency mental health services and referrals to many area support groups as well as information on a wide variety of other services and agencies. We are open for calls 24 hours a day and can be reached by dialing (218)326-8565 or in Clearwater County dial 1-800-442-8565 or 211.

Community cooking class March 25 - 12:30-2 PM

Are you 55 or older? Looking for ways to cook and eat healthy without spending a lot of money? Do you have mobility limitations or dietary needs that challenge your abilities in the kitchen? Join Friends in the Kitchen monthly for free sessions at the Bagley American Legion Auditorium and learn how to create healthy, affordable, easy-to-make meals while making new friends.

AARP Foundation Tax-Aide Sites Service Suspended Until Further Notice

As coronavirus (COVID-19) developments change hour by hour, AARP Foundation is doing its part to flatten the curve of transmission. A top priority for us is ensuring we are protecting those most at risk, including our volunteers and taxpayers. Therefore, we are suspending AARP Foundation Tax-Aide services beginning March 16 until further notice.

We will continue to assess whether we can open again in some or all sites for the remainder of the tax season and if the tax season is extended.

This includes all sites including Bemidji and Bagley. Those with current appointments will be contacted and new appointments will be made when the sites are re-opened.

Clearbrook game card winners 2020

Here's the list to date.
3/12/20 - Wes Flatland, 50.00
3/13/20 - Bryce Torgerson, 50.00
3/16/20 - Brandon Larson, 50.00
3/17/20 - Dan McDougall, 100.00
3/18/20 - Beverly Shelquist, 50.00

Clearbrook-Leonard Senior Meals

Wed., March 18 - Chicken Wild Rice Casserole, Winter Blend Veggies, Pear Halves, Poke Cake, Bread and Milk.

Thurs., March 19 - Ham, Scalloped Potatoes, Squash, Bar, Dinner Roll and Milk.

Clearbrook Council.

Continued from front page

Thoma also presented council members with drawings of the bike trail plan. County Engineer Sauvé pointed out that one portion of the trail would not follow county ordinances and would require a variance from the county. The plan was discussed and changes were suggested, including changes that would enable the city to avoid the need of a variance for the trail.

Police Chief Dan Gazelka reported that the department's new truck has arrived. Graphic work will be completed on the vehicle next week. The Charger will be placed for sale with a minimum required bid.

Fire Chief Adam Krog reported that the department responded to six medical calls in February and three medical calls so far in March. The Daddy Daughter Dance is scheduled for Saturday, March 14th and the Annual Fish Fry fundraising event will take place on Saturday, April 25th. The department is facing a significant cost to replace mandatory SCBA (self-contained breathing apparatus) equipment that will be expiring over the next one to three years. The department will look into grant funding to cover the costs of this safety equipment.

Members of the fire department have formed a committee to explore the possibility of building a new fire hall. A meeting will be arranged with Representative Matt Grossell to clarify the steps required to obtain funding for a building project.

The fire department is also concerned about maintaining accessibility to equipment during the street and water project. Krog inquired about dates for the First Street construction work. Engineer Curt Meyer stated that once project phasing has been completed, the fire department will know the construction dates well in advance to allow for alternative equipment parking solutions.

Kayla Walberg, City Pool Manager informed the council that five lifeguards are returning for the 2020 season. She will work to find more lifeguards. She also suggested that the council consider hiring an assistant manager for the coming season.

Walberg also presented the council with recommendations for pool price changes for the coming year. She proposed that family memberships be limited to immediate family only, with add-on fees for a maximum of two additional people such

as babysitters. In addition, Walberg suggested individual membership fees be increased to \$75 and open swim fees be set at \$5 for afternoon sessions and \$3 for evening swims.

Walberg also requested that punch cards be used for water walkers at a cost of \$30 for 10 sessions. The punch card system would also allow the staff easy access to information for contacting these pool users in the event of pool closings. Emergency contact information would also be available on the cards.

Mark Snobl reported for the maintenance department. He is obtaining bids for the rooftop electric work in the gym. One bid has been returned; he will continue to contact electricians for more bids. Mark and Jason will attend required training in Fosston this week.

Lights for the gym were discussed. Several lights are burned out. Lucie Thompson, City Clerk, will call Ottetail for information on rebates if LED bulbs would be installed.

The council decided to reject Garden Valley Technologies' offer to purchase lots from the city. The city would prefer to keep the lots at this time, and will offer to rent them to Garden Valley. City staff is waiting for a reply from a homeowner regarding the purchase of a house near the pool. The county has agreed to work with the city to address any property tax issues.

A party has expressed interest in purchasing a business in Clearbrook and inquired about business incentives. At this time, the city only offers incentives to new businesses. Lucie contacted the Northwestern Minnesota Foundation to ask about any available programs for business owners. Another individual has contacted city staff to indicate their interest in purchasing the former Good Samaritan building.

The city approved the purchase of a four-wheeler that can be used at Kloster Park. Two options were presented for discussion. Purchase price for the four-wheeler selected is \$5,191.

Monthly claims of \$26,934.04 and additional claims of \$109,772.89 were approved by the council. North Country Hardware monthly claims of \$205.18 were also approved, with Shawn Johnson abstaining.

Food Shelf

Clearbrook-Gonvick Kindness Squad is pleased to take part in the food drive for the Clearwater County Food Shelf via the MN Foodshare March Campaign! During the month of March, we will have boxes set out in the hallways to collect non-perishable food which will be donated to our local food shelf at the end of the month.

Please bring your donations of non-perishables to the school to drop off and we will take care of the rest for you!

Also watch for our upcoming food shelf "foodraiser" at the Family Game Night at the school on Saturday, March 28th.

DEFENSIVE DRIVING-Glenn Rettmann

Participants receive a thorough review of the "rules of the road", with an emphasis on defensive driving practices. If you are 55 or older, successful completion of this class will allow you to receive a discount on your auto insurance. Note: If you've previously completed an 8 hour class you need only register for the 4 hour "refresher" course.

Mon, April 6 (refresher class) 5:00-9:00 PM, CG commons \$15.00

Clearbrook-Gonvick Elementary February Bear Pride

Elementary February Bear Pride

Students were nominated by school staff for Bear Pride to recognize their accomplishments, acts of kindness, etc. both large and small. Ten nominees were randomly drawn during our assembly. Congratulations!

Kinsley Loos
Nominated by: Mrs. Christen
For: Kinsley is a super listener; so quiet and always ready!

Lydia Bakken
Nominated by: Mrs. Hegg
For: You have the most beautiful printing. Every assignment

comes with the neatest handwriting. Thanks for giving me such beautiful work!

Parr Gustafson
Nominated by: Mrs. Hegg
For: I love his enthusiasm for learning about the map. He makes learning about the map so fun for all of us in the class!

Mason Roy
Nominated by: Anonymous
For: He is a polite and nice kid!

Kayden Dumbkowski
Nominated by: Mrs. Dahl
For: He got all his work done when I was gone!

Aryelle Auginash
Nominated by: Mrs. Hegg
For: She demonstrates great character while in the hallways and in the classroom. She works hard to do her very best!

LaShelle Johns
Nominated by: Mrs. Beard
For: She is always prepared for school and has a positive attitude.

Brittany Thomas
Nominated by: Mrs. Beard
For: She has a positive attitude and cares about others.

Malea Mathson
Nominated by: Mrs. Hamnes
For: She is a great student who is very polite and helpful. She is a great friend to others.

Kaleen Ramsrud
Nominated by: Mrs. Marsh
For: She is always one of the first to participate in class. I appreciate her outgoing nature!

School news

Please note: There will NOT be any Iron Bear this week!
High School- At this time Clearbrook-Gonvick schools needs the following information for high school students.

If you need meal service for students during the school closure please contact the office immediately. We will be offering meal service over the closure.

It is important that you are able to log into synergy moving forward to check student grades. Please try and log into synergy first and then call the office if you can't access.

Jeff Burgess, Superintendent
Clearbrook-Gonvick School District

Ad deadline: Noon Friday

Letters to the Editor

Tell the PCA it's time to build line 3!

Let's work together to keep the process and the project moving forward.

The Minnesota Pollution Control Agency (PCA) is accepting public comments on the air quality, water quality, construction stormwater and industrial wastewater permits that are needed so construction can start. This is another chance to make sure the agency hears from you about the importance of replacing Line 3 and outline the environmental benefits. Get your public comments in by March 25th.

We need your help to let the PCA know it's time to build Line 3.

It's time for this project to move forward:

- More than 5 years of review

and evaluation by state and federal experts.

- Minnesota agencies have held 70 public meetings.
- Enbridge has held more than 3,500 public meetings.
- Tens of thousands of public comments received and reviewed.
- Three weeks of evidentiary hearings by the Administrative Law Judge.
- For a second time, the PUC approved the EIS and granted a certificate of need and the route permit.
- The most comprehensive Environmental Impact Statement for a pipeline in state history.
- 4510 Airport Rd, Duluth, MN 55811

Commissioners..

Continued from front page without tearing up the wetlands that a repair would do," he stated.

He received approval for payment of the Clearwater County Highway Department bills as presented in the amount of \$84,957. He reported that they will soon be ordering more trucks to replace the Mack trucks which are expensive to maintain. He says there are two more left and it takes a year to get the new ones ordered.

Chester Powell and Briel Prokosch, Program Technicians of Soil and Water Conservation District received approval to use Always There Staffing for personnel services needed for the 2020 Watercraft Inspection Season to protect lakes from the spread of Aquatic Invasive Species (AIS). It will cover both full and part time staff at the same rate as in the past, with return inspectors receiving annual increases. A five year Minnesota DNR income contract will provide funds to Itasca State Park to staff and train watercraft inspectors, which was ordered out of St. Paul and will cost \$12,600 this year.

"The County can cancel the contract with a 30 day notice at any time and be out of it," Chester stated.

Commissioner Mark Titera brought up the possibility of 7 - 8 inch rainfalls as happened a couple of years ago in the area, which might quickly go into the Clearwater River.

"We are considering the building of another holding pond," he said regarding concerns of AIS contamination reaching Clearwater River.

There will be a decontamination unit at the city park, which uses water reaching 180 degrees, so there are safety concerns for its use. Chester, Briel and another inspector will most likely be certified.

"It will be open for the entire county to use," Chester added.

"As long as funding keeps going for these things it sound good," said Commissioner Dean Newland. "But it (funding) could just disappear."

Regarding One Water One Plan, a Memorandum of Agreement was to be sent out for Wild Rice, Mississippi and Red Lake watersheds. Red Lake is new, and Clearwater County will lead on this new one.

Sheriff Darin Halverson received authorization for Vern's Carpet to install additional carpet in the Sheriff's Office that was not in the original quote at a cost of \$4,448 with the funds coming from building and grounds budget.

He was authorized to purchase updated "Revcored" software through Loffler Companies for the recording of 911 and other phone lines into dispatch, plus radio traffic for our local frequencies, at a purchase price of \$13,381. The funds are budgeted in each year, and are be taken out of the 911 and jail budgets to cover the expense.

The Sheriff will order a Panasonic Toughbook to replace the outdated Emergency Management laptop computer. Funds for this purchase will come from the Emergency Management account in the amount of \$2,683 from the 2020 budget.

County Auditor Allen Paulson was authorized to

pay the submitted invoices of \$205,331 for the County Revenue Fund and \$5,057 for the Nursing Service Fund.

All Commissioners were present at the meeting: Neal Illies, Mark Larson Dean Newland, John Nelson, and Mark Titera.

Thoughts from the Sheriff

Clearwater County Sheriff Darin Halverson

On March 3rd, I had the privilege to speak to the Criminal Justice class at the Bagley High School. I talked about the history of the Office of Sheriff and what makes a Sheriff's Office different from other law enforcement agencies. This month, I thought I would write about this topic to let everyone know what makes a Sheriff's Office unique.

The origin of the Sheriff dates back to 7th Century England making it the oldest continuing, non military, law enforcement entity in history. Groups often families would come together and they would call themselves "Tithings". When ten "Tithings" would come together they were called a "Shire". Each "Shire" elected a "Reeve" who was a senior official with local responsibilities under the crown of England. This position became known as the "Shire-Reeve". "Sheriff" would eventually evolve out of those two words.

Duties of the Sheriff can be found in documents dating back to 1215. King John of England signed the Magna Carta in that year and out of the 63 clauses, 27 dealt with duties and responsibilities of the Sheriff. Some of the duties listed for the Sheriff back then included keeping the peace, collecting taxes, maintaining jails, arresting fugitives, maintaining a list of wanted persons, serving writs and orders for the King's court and ensuring the safety and comfort of the Judges. Most of these duties, as you will see, remain that of the Sheriff today in one shape or form.

The Office of Sheriff actually pre-exists statewide in Minnesota. Minnesota became a state on May 11, 1858. There are statutes in Minnesota from 1849-1858 that reference the election of a Sheriff. In 1885, the Minnesota Sheriffs Association was founded and still operates today.

Nationwide, there are 3,081 Sheriffs, with 98% being elected. Alaska and Connecticut do not have Sheriff's as Alaska does not have counties and Connecticut does not have county government. Sheriffs are appointed in Hawaii, Rhode Island and a small number of counties elsewhere. There are 87 Sheriffs in Minnesota representing all 87 counties. According to records I have found, there have been only 12 Sheriffs in Clearwater County's history dating back to 1902.

Now comes the answer to what the differences are between a Sheriff's Office and other law enforcement agencies. Today's statutes read that the Sheriff shall keep and preserve the peace of the county, pursue and

apprehend all felons, execute all processes, writs, precepts, and orders issued or made by lawful authority and attend upon the terms of the district court, and perform all of the duties pertaining to the office, including investigating recreational vehicle accidents involving personal injury or death that occur outside the boundaries of a municipality, searching and dragging for drowned bodies, and searching and looking for lost persons. The sheriff shall have the charge and custody of the county jail and receive and safely keep therein all persons lawfully committed thereto and not release any person therefrom unless discharged by due course of law.

Some of the duties listed in Minnesota Statutes are the same as other agencies. The differences arise when it comes to executing all processes and writs issued by the district court. This involves all the civil process paperwork that comes to our office to be served upon individuals or businesses within the county. This can be simply notifying a person that they are being sued by another in an attempt to collect money or it may be our office attempting to collect money after a judgement from court has been issued. Other law enforcement agencies do not have these responsibilities as these are duties bestowed upon the Sheriff.

Other areas that make the Sheriff's Office different from many local police departments is that we are tasked with the job of enforcing recreational laws such as ATV, snowmobile and boating. To help us in that effort, the State of Minnesota and the Federal Government offer grant money to help purchase the equipment necessary to do the job of recreational enforcement and also to help pay the wages of deputies doing the job. Some of the equipment our Sheriff's Office has include two ATV's, a snowmobile and two boats. These pieces of equipment also come into play when searching for drowned bodies and lost and missing persons as these are also labeled duties of the Sheriff. Without this equipment, it would be difficult, if not impossible, for us to do our job.

The last major difference is the duty of running the county jail, transporting of inmates, and providing courtroom security. These duties are the most taxing jobs that the Sheriff's Office has. We not only have to house and care for inmates in our jail, but we are responsible for getting them to their court hearings and **Sheriff's ...**

The NRA Foundation Awards \$1,000 worth of equipment to the Clearwater County 4-H Shooting Sports and Wildlife Program

Bagley MN -- The NRA Foundation has awarded the Clearwater County 4-H Shooting Sports and Wildlife Program a grant totaling \$1,000 in hard sided gun cases, BB ammunition, and safety glasses. "We are very excited about our Shooting Sports and Wildlife Program" said Kayla Nyegaard, "and pleased that the NRA is making an investment in our community."

The Clearwater County 4-H Shooting Sports and Wildlife Program is open to all youth in grades k-one year past high school who enroll in 4-H. Youth in grades K-2 can participate in all of our wildlife activities. Youth in grades 3+ can participate in archery and BB gun. Youth in grades 4+ can participate in pellet gun, air pistol and air rifle. Youth in grades 7+ can participate in .22 rifle, .22 pistol, muzzleloading, and trap. Clearwater County has 10 certified coaches to ensure youth receive all of the necessary safety training to succeed in this project. To enroll in 4-H, visit 4honline.com and sign up for Minnesota 4-H in Clearwater County. Call the Extension Office with any questions, 218-694-6151.

2020 Practice Schedule for Clearwater County 4-H Shooting Sports and Wildlife (may be subject to change)

About the National Rifle Association
Established in 1871, the National Rifle Association is America's oldest civil rights and sportsmen's group. Five million members strong, NRA continues its mission to uphold Second Amendment rights and is the leader in firearm education and training for law-abiding gun owners, law enforcement and the military. Visit nra.org.

About The NRA Foundation
Established in 1990, The NRA Foundation, Inc. is a 501(c)(3) tax-exempt organization that raises tax-deductible contributions in support of a wide range of firearm-related public interest activities of the National Rifle Association of America and other organizations that defend and foster the Second Amendment rights of all law-abiding Americans. These activities are designed to promote firearm and hunting safety, to enhance marksmanship skills of those participating in the shootings sports, and to educate the general public about firearms in their historic, technological, and artistic context. More information about The NRA Foundation can be found online at www.nrafoundation.org.

Dear ISD 2311 Families:

Governor Walz announced this morning closures of all schools to students in Minnesota beginning Wednesday, March 18 through Friday March 27. Clearbrook-Gonvick Schools WILL be in operation Monday and Tuesday, March 16 and 17.

This closure is to give staff time to plan to provide educational services in the event of a longer school closure. We will also be using the time to deep clean the school and buses.

If you are a member of the emergency services profession (law enforcement, fire department, EMTs, etc.) and/or the medical profession (direct care staff) that has school aged children between the ages of 4 and 12, please contact the school Monday, March 16. We will make arrangements to provide supervision for your children during what would be regular school hours.

We will also make arrangements to provide sack lunches for students on a "grab and go" basis. Please contact the school to let us know if you will be utilizing school lunch services. We will need to know how many to prepare.

Please remember the basics for prevention – thorough and frequent hand washing, covering sneezes and coughs, cleaning frequently touched surfaces, practicing social distancing (maintain a 3 – 6 foot separation between you and others) and staying away from large gatherings of people.

As more information is made available, we will post on our website, on Facebook and through School Messenger.

Thank you
Superintendent
Jeff Burgess

History center closed

The History Center in Shevlin will be closed at least until April 3 in response to the COVID19 pandemic. The membership meeting and potluck supper set for March 31 has also been cancelled. Future events and programs are still being evaluated. For more information call the history center 218-785-2000.

Sheriff's ...

Continued from page 4

providing a bailiff within the courtroom during these hearings. If a person has a warrant issued for their arrest and are picked up in a different county or state, it is our office that has the responsibility of going to get the person and bring them back to our jail. This not only requires personnel time, it can cost a lot of money depending on where we need to go.

Corrine's Corner

By Corrine Richards

The Friends In The Kitchen Class in the Bagley American Legion for March 25 will be CANCELLED.

March events March 20th Muffins with Mom at the Clearbrook Gonvick school. All done before the bell rings in the morning.

Thanks to the people who gave us permission to use their photos from the Daddy -Daughter dance that was put on by the Clearbrook Fire Department. More will be in next week.

Lenten supper at Good Shepherd Lutheran Church in Clearbrook has been canceled for this week.

Good Shepherd Blood Drive at the Wes Westrum Gym on Wednesday, April 8 in Clearbrook.

The Junior-Senior prom will be held Saturday, April 18 at Clearbrook-Gonvick High School. The Grand March will be at 7:00 p.m.

Make your plans now to attend the 2020 Gonvick Trail All School Reunion July 9-12. The Gonvick Lions Rodeo will also be held that same weekend.

The 2020 Summer Celebration in Clearbrook, June 26, 27 and 28. There will be a 30th anniversary of the swimming pool. A tent will be set up on

the north side of the Municipal Liquor store and on Friday "Acoust Hicks" will be playing and on Saturday "Steele River Band" will play.

The Clearbrook and Clearbrook/Gonvick Bears All-School Reunion this summer. Plans are for June 26, 27 and 28. The big entertainment will be Friday night, June 26, Bil Lepp from West Virginia will be performing. Elvis will be there as well.

From my email...

Joke Time -

Ole stopped in a blacksmith shop to see his old friend, Rasmus Gullickson. "What's the matter, Rasmus?" asked Ole. "You look kinda down in da mouth."

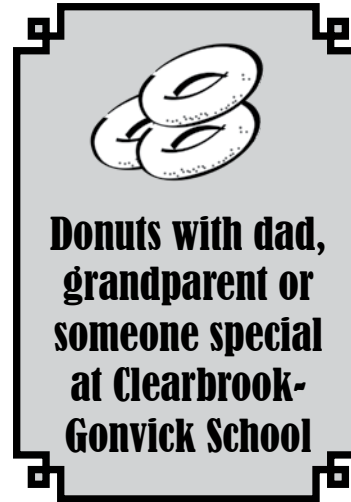

"Vell, for vun ting," answered Rasmus, "today is my twenty fifth wedding anniversary."

"So, why are you so glum about it?" asked Ole.

"Becoss, on da day of our wedding, I got so mad at my wife dat I darn near choked her to death."

"Hmmm," Said Ole, "If you had done dat, you would have got twenty five years."

"Yah...sure I vould have," responded Rasmus. "But, tomorrow I vould be getting out of jail ..a free man."

law enforcement work.

As you can see, the Sheriff's Office has many duties and responsibilities beyond what other law enforcement agencies have. I hope that this article has shed a little light on what those duties of a Sheriff's Office are compared to other law enforcement agencies. We strive to work together with our local, state and federal partners to make law enforcement in our county a collaborative effort. Working together is what makes

If you have questions that you would like answered or any suggestions, please email me at darin.halverson@co.clearwater.mn.us or call the Sheriff's Office at 218-694-6226. You can also find us on Facebook by searching for Clearwater County Sheriff's Office.

Thank you and as always, I am honored to serve as your Clearwater County Sheriff

Clearwater County

Notice of Delinquent Taxes

State of Minnesota
District Court
County of Clearwater
9th Judicial Judge

TO: ALL PERSONS WITH
A LEGAL INTEREST IN THE
PARCELS OF REAL PROPERTY

DESCRIBED IN THE FOLLOWING DELINQUENT TAX LIST

A list of real property in clearwater county on which delinquent real property taxes and penalties are due has been filed with the district court administrator of Clearwater County. This list is published to inform all

persons that the listed property is subject to forfeiture because of delinquent taxes.

The property owner, taxpayer, or other interested persons must either pay the tax and penalty plus interest and costs or file a written objection with the district court administrator.

The objection must be filed by March 31, 2020, stating the reason why the tax or penalty is not due on the property. If no objection is filed, a court judgment will be entered against the property for the unpaid tax, penalty, interest, and costs.

For property under court

judgment, the period of redemption begins on May 11, 2020, and ends approximately three to five years later, depending on the type of property and where it is located. The period of redemption means the time within which taxes must be paid to avoid losing the property through forfeiture.

To determine how much interest and costs must be added to pay the tax in full, contact the Clearwater County Auditor's Office, Clearwater County Courthouse, 213 Main Ave. N, Dept. 202, Bagley, MN, 56621. The telephone number is (218) 694-6520.

NOTICE TO TAXPAYERS

Before paying taxes by mail, contact the County Auditor's Office for the exact amount due, as the cost and interest figures are not included.

Camille Bessler
Court Administrator
9th Judicial District
Date: February 26, 2020

(District Court Seal)

DELINQUENT TAX LIST

The following table contains a list of real property located in Clearwater County on which taxes and penalties became a delinquent on January 2, 2019. Interest calculated from January 1, 2019, and county costs must be paid along with the total tax and penalties in order for a parcel of real property to be removed from the delinquent tax list.
