McIntosh Easter Egg Hunt will be this Saturday

Spring is here and Easter is on it's way, along with a visit from the Easter Bunny!

The McIntosh Community Club's Annual Easter Egg Hunt will be held Saturday, April 20th at 2:00 pm at the McIntosh Community Center. Join us for egg hunting, goodies, and a chance to meet the Easter Bunny!

Get your name entered into a drawing for your chance at a bike donated by the McIntosh Fire Department!!

If, for some miracle, the weather warms up real quickly the egg hunt may happen at Erickson Park, but that will be weather permitting. Watch The McIntosh Community

Club Facebook page for more information. Happy Easter everyone!

Emma Kaupang with her Dad, Vance, at the Father-Daughter dance held at Win-E-Mac School.

QOV Rescheduled

Quilts of Valor meeting that was schedule for April 11 was canceled due to storm!! It has been rescheduled for Thursday, April 18th at 7:00 pm at the McIntosh Community Center. There will be a short business meeting and recipients for Memorial Day programs will be selected.

Karli Schow and her Dad, Calvin.

Win-E-Mac School recently hosted a Father-Daughter dance, "A Night to Remember". Among the guests were Destiny and Dakota Hedlund with their Dad, Shawn and Nevaeh and Morgan Bauer with their Uncle, Brady Jones.

Edith Gieseke with her Dad, Jeff.

Ruby Breckel with her Dad, Jason.

Explore the true meaning of Easter

Bunnies and baskets, chocolates and candies. It's that time of year when parents scramble to ensure their children wake up to a trove of treats, and families decide on who is serving the lamb dinner this year.

These are some of the familiar Easter traditions, but much more is involved with the holiday than egg hunts and brightly adorned bonnets. For the religious, it can be important to delve into the true meanings behind Easter and let those discoveries help shape celebrations.

Easter, above all, is a religious commemoration of the resurrection of Jesus Christ. It is the culmination of the holy period known as Lent, and it the most significant date on the Christian liturgical calendar.

Jesus Christ was the Son of God, who fulfilled the prophecies that he would give his own life for his people so they could enjoy eternal life after their

own mortal bodies perished. Easter, from Jesus' very own words, marked a new covenant for the faithful.

According to scripture, Jesus was enjoying the Passover dinner when he sat down with his disciples. Understanding that this would be his last earthly meal and that someone close to him would betray him, he took bread and gave thanks to God for it. He broke the bread and said it was his body that should be given up so sins would be forgiven. He did a similar gesture with wine, indicating that it was his blood that should be shed as a sacrifice for all. Christ instructed the disciples to do the same ritual in the future in memory of him.

Jesus was subsequently betrayed and turned over to the authorities. He was sentenced to crucifixion and perished on the cross. His body was cleansed and placed in a tomb sealed by a stone. His followers

were unaware of the miracle that would ensue in the days to come. On Easter Sunday, the tomb was discovered open and empty. Jesus had risen from the dead, providing irrefutable proof that he was the Son of God. In turn, Jesus fulfilled all he was born to do and preached.

Easter did not always symbolize Christ's resurrection when it was first celebrated. It was once a pagan ritual of renewal and birth. However, when early missionaries began spreading Christianity's message, the holiday - falling around the time of Christ's actual resurrection - was adopted to commemorate the religious miracle.

Today it stands as a testament to ultimate sacrifice and the promise of eternal life for all who believe in him.

Jazmine and Izabelle Burthwick with their Dad, John and Grandpa, Don Boehrnsen.

Heidee Smeby with her Grandpa, Ron Roed.

Create colorful Easter eggs

Beautifully colored Easter eggs are a beloved holiday tradition. In many cultures, eggs represent new life, fertility and rebirth. For Christians, the Easter egg is symbolic of the resurrection, or the eternal life, of Jesus Christ. The practice of coloring eggs and offering them as decorative items is embraced during both secular and religious Easter celebrations.

Many fond memories and traditions are tied to Easter egg coloring, and some people may have their preferential kits or practices to achieve beautiful eggs. But embracing some new tips and tricks can produce beautiful eggs and make this beloved tradition even more fun.

• **Begin with firm, hard-boiled eggs.** Bring a pot of water to a rolling boil. Then use a large spoon to gently lower the eggs into the water. Lower the heat to maintain a simmer and boil for just about 12 minutes. Transfer the eggs to a bowl with ice cold water and let them cool. Allow the eggs to cool completely before coloring.

• **Lay out newspaper or an old tablecloth to soak up any spills.** Spills are inevitable, so don't let them spoil the fun. In addition, empty egg cartons make ideal drying racks, so do not discard them.

• **Make patterns or other designs on the eggs.** Use a white crayon to draw on the egg directly. The dye will not stick to the wax. Or use string, rubber bands, tape, stickers, or other items to create your pattern. Dip the egg and then remove the materials afterward to reveal the design.

• **Swirl a few drops of food coloring into shaving cream on a flat surface.** Roll the eggs into the mixture, let dry, and then gently clean to remove the excess shaving cream. The result is a marbled effect.

• **Recognize that you don't have to "dye" eggs at all.** Use a sponge to dab on a design. Strips of tissue paper can be adhered to the egg with glue or shellac. Children may enjoy submerging the egg in glue and then coating it in glitter.

The potential to create creative Easter eggs is limitless. Embracing new strategies can set this year's eggs apart.

The City of McIntosh prohibits the discharge from sump pumps or drainage pumps to be drained into the Storm Sewer system. M4-7C

Important Information Regarding Assessment and Classification of Property

This may affect your 2020 property tax payments

The Board of Appeal and Equalization for township of King will meet on Monday, April 22nd at 2:00 pm, at the McIntosh Community Center. The purpose of this meeting is to determine whether property in the jurisdiction has been properly valued and classified by the assessor. If you believe the value or classification of your property is incorrect, please contact your assessor's office to discuss your concerns. If you disagree with the valuation or classification after discussing it with your assessor, you may appear before the local board of appeal and equalization. The board will review your assessments and may make corrections as needed. Generally, you must appeal to the local board before appealing to the county board of appeal and equalization.

Mrs. Fishback Tells of parents' Experiences

Mrs. Alfred Fishback related the following about the early experiences of her late parents, Mr. and Mrs. Ole Norman. The retelling of their lives was documented in the Saga of the Thirteen Towns for the 1958 Thirteen Towns Diamond Jubilee.

They were both born in Norway, 1844 and 1849 respectively. Mr. Norman came to America in 1853 and Mrs. Norman in 1861. Coming to St. Peter first and then relocating to the Thirteen Towns in late November 1883. "Father fixed up a dug-out and also built a cabin. Winter was

rough-snow was three and four feet deep and the temperature would run from 30 to 40 below for as long as ten days at a time.

They found out that someone else had already squatted on their land, so Mr. Norman sold his rights and moved to the Ada vicinity." The Normans returned to Fosston in 1916 where they lived until their deaths in 1936.

Mr. Norman served in Co. B, Second Minnesota Calvary for three years. He was active in both the Civil and Indian wars. Fighting in the battle of Killdeer Mountains near Bismark, ND, his horse was shot from under him. Two of his comrades lost their lives.

The battle ground was later given to the State Historical Society in Bismark.

USDA funding available to buy or fix a home

USDA Rural Development has funding available for very low- and low-income individuals and families seeking to purchase or repair a home in a rural area.

USDA's Direct Home Loan Program offers financing to qualified very-low and low-income applicants that are unable to qualify for traditional financing.

No down payment is required, and the interest rate could be as low as one percent with a subsidy. Applicants must meet income and credit guidelines and demonstrate repayment ability. Generally, rural areas with a population less than 35,000 are eligible.

The maximum loan amount for repair is \$20,000 at a one

Easter Cantata at Win-E-Mac April 19

"In My Place: Remembering Christ's Sacrifice of Love" by Craig Courtney will be performed by the Fosston/Win-E-Mac Community choir on Good Friday, April 19 at 7:30 p.m. at the Win-E-Mac school performance center.

This cantata is composed and performed to help the list-

Did You Know?

Minnesota is very relaxed. Minnesota was named the least stressful state by WalletHub for the second year in a row. WalletHub's rankings took into account number of hours worked and number of adults with chronic health problems. Judging by their criteria Minnesota might just be the 'chillest' state in the union.

Below: Samantha Armey and her Dad, Eugene at the Father-Daughter dance at Win-E-Mac School on April 6th.

tener realize the magnitude of Christ's sacrifice and love for all. The community choir is under the direction of Charity Salmonson and accompanied by Diane Boucher. Admission is free.

There will be a light lunch served in the commons following the performance.

Winger News by Linda Pulskamp

Here we are again from the Winger community where the calendar says it is spring and we are under a winter storm watch with the potential for accumulating and blowing snow. I think old man winter needs to take an extended vacation. The snow has been melting and basically what remains are the big banks that built up during the winter. Guess we can be thankful that we are not in the areas where there is flooding going on.

Many of you probably did see the obituary in the paper but if not word was received here that Adley Pederson former Wingerite passed away this past week, funeral services will be held on Tuesday the 16th in Forest Lake. Sympathy to the family of Adley.

Milton Carlson's Corner

On Saturday the 6th Paul Carlson was a visitor and coffee guest with Milton and while there he disposed of Milton's garbage for him. Later on Saturday Sheila Benesh was a visitor and coffee guest of Milton's bringing cupcakes as a treat with their coffee.

Milton Carlson along with Vincent, Jasmine and Carson Benesh, Jade Benesh and her boy friend Nick and Paul and Donna Carlson were all dinner guests at the Chris and Sheila Benesh home. The guests were served lasagna for dinner and cupcakes for dessert. Milton found it rather difficult driving as it was hard to see the road due to the dense fog.

On Monday Milton made a trip to Erskine to do some grocery shopping and while at the grocery store he had a good visit with Mary Lindseth, who works at the store. Mary is Milton's second cousin.

Tuesday the 9th Lonnie vis-

ited and was a coffee guest with Milton, bringing Milton's mail to him when he came.

Last week end house guests at the Pulskamp home were Craig Johnson of Monticello and Steve Johnson of Coon Rapids. Others visiting during the week end were Kelly Johnson, Matt Balstad, Jamie Anderson and Kevin Zahl.

Mark and Betty Syverson visited with Helmer and Verlys Homme last Sunday afternoon at the Pioneer Home at Erskine.

Those attending a birthday party for Peyton Brtek's 2nd birthday last Sunday afternoon at the Danny and Angie Brtek home were, Greg and Michelle Gagner of Mentor, Brenden and Kylie Casavan and Michelle Johnson, Grandpa Kelly Johnson, Butch and Linda Pulskamp, Craig Johnson of Monticello and Steve Johnson of Coon Rapids and several other members of the Brtek family.

In speaking of the flooding in areas, Betty Myhrum's Granddaughter lives near Oslo

where boats are now being used as transportation due to the flooding.

Being this will be the last news column before Easter, I want to wish you all a very Happy and Blessed Easter.

Until next week and hopefully more news, have a good week.

Important Information Regarding Assessment and Classification of Property
This may affect your 2020 property tax payments.

The Board of Appeal and Equalization for the township of Gully will meet on Monday, April 22nd, 1:00 P.M. at the Town Hall. The purpose of this meeting is to determine whether property in the jurisdiction has been properly valued and classified by the assessor. If you believe the value or classification of your property is incorrect, please contact your assessor's office to discuss your concerns. If you disagree with the valuation or classification after discussing it with your assessor, you may appear before the local board of appeal and equalization. The board will review your assessments and may make corrections as needed. Generally, you must appeal to the local board before appealing to the county board of appeal and equalization.

Given under my hand this 6th of February, 2019
Carole J. Tharaldson
Clerk of the township of Gully

Higher limits now available on USDA farm loans

2018 Farm Bill Increases Limits and Makes Other Changes to Farm Loans.

Higher limits are now available for borrowers interested in USDA's farm loans, which help agricultural producers purchase farms or cover operating expenses.

The 2018 Farm Bill increased the amount that producers can borrow through direct and guaranteed loans available through USDA's Farm Service Agency (FSA) and made changes to other loans, such as microloans and emergency loans.

"As natural disasters, trade disruptions, and persistent pressure on commodity prices continue to impact agricultural operations, farm loans become increasingly important to farmers and ranchers," FSA Administrator Richard Fordyce said.

"The 2018 Farm Bill provides increased loan limits and more flexibility to farm loans, which gives producers more access to credit when they need it most."

Key changes include:

- The Direct Operating Loan limit increased from \$300,000 to \$400,000, and the Guaranteed Operating Loan limit increased from \$ 1.429

million to \$1.75 million.

Operating loans help producers pay for normal operating expenses, including machinery and equipment, seed, livestock feed, and more.

- The Direct Farm Ownership Loan limit increased from \$300,000 to \$600,000, and the Guaranteed Farm Ownership Loan limit increased from \$1.429 million to \$1.75 million.

Farm ownership loans help producers become owner-operators of family farms as well as improve and expand current operations.

- Producers can now receive both a \$50,000 Farm Ownership Microloan and a \$50,000 Operating Microloan.

Previously, microloans were limited to a combined \$50,000. Microloans provide flexible access to credit for small, beginning, niche, and non-traditional farm operations.

- Producers who previ-

ously received debt forgiveness as part of an approved FSA restructuring plan are now eligible to apply for emergency loans. Previously, these producers were ineligible.

- Beginning and socially disadvantaged producers can now receive up to a 95 percent guarantee against the loss of principal and interest on a loan, up from 90 percent.

About Farm Loans

Direct farm loans, which include microloans and emergency loans, are financed and serviced by FSA, while guaranteed farm loans are financed and serviced by commercial lenders.

For guaranteed loans, FSA provides a guarantee against possible financial loss of principal and interest.

For more information on FSA farm loans, visit www.fsa.usda.gov or contact your local USDA service center.
