Coming next week ... Maybe more in 2024?! New ideas welcome for the Grygla Fall Festival!

Homecoming Coronation was held for Grygla and Goodridge Schools on Monday. Here are your Chargers Royalty! More photos on the inside page. Photos by Grygla Eagle Newspaper

## Introducing your 2023 Charger's Homecoming King and Queen

By Kari Sundberg, Eagle Editor

It's Homecoming week in Grygla and Goodridge. Fun events have been happening all week including the crowning of this year's King and Queen! Both Homecoming courts are pictured here.

Coronation was held on Monday for both schools. Christian Loken and Molly Cullen were crowned Grygla's King and Queen. Spencer Coan and Morgan Underdahl were

crowned Goodridge's King and Queen.

**Grygla Court (above):** Front row: Colbie Johnson-McManus (freshman), Amore Lourens (sophomore), Callie Loken (senior), Ashtan Sletten & Willa Sundberg (1st grade), Chelsie Nelson (senior), Addison Severts (junior), Catelyn Rath (8th). Back row: Krystal Neuschwander & Zachery Rian (7th), Seth Kaczor (sophomore), Lewis Jones (senior), Queen Molly Cullen and King Chris-

tian Loken (seniors), Blake Ry-chlock (senior), Ryelin Stanley (freshman), Grayden Hagen (8th).

**Goodridge Court (below):** Front row: Hayes Hruby (1st grade), Carter Lee Johnsrud (senior), Hannah Lovly (senior), Ariel Kiviaho (1st grade). Back row: Brennen Parnow & Madelyn Thompson (juniors), Donny Johnsrud (senior), King Spencer Coan and Queen Morgan Underdahl (seniors), Carson Rubischko (senior), Mollie

Lunsetter & Lincoln Panek (sophomores).

The Homecoming volleyball game is on the calendar for Tuesday, October 3, vs. Clearbrook/Gonvick in Grygla. By the time the paper comes out, let's hope that's already been marked a win for the team! The Homecoming football game is this Friday - an early game at 3pm in Goodridge vs. KCC. The HoCo dance is from 8-11 p.m. in Goodridge for the students.

## Local students awarded at NCTC Foundation Scholarship Ceremony

By Kari Sundberg, Eagle Editor

Grygla and Goodridge High School alumni were among the Northland students awarded at the NCTC Foundation Scholarship Ceremony last week.

The Northland Community & Technical College Foun-

datation alone gave out over \$80,000 just this semester to their students - amazing! Combined with Workforce Development and MN Ag scholarships, the total was over \$270,000 for fall alone.

Local recipients and their award amount is shown below.

**Sheldin Sundberg (Grygla) \$4,000:** Lowell & Marge Swenson Endowment Scholarship \$1000 (with another \$1,000 renewable next semester if GPA requirement is met), Hartz Foundation \$500, and MN Workforce Development Scholarship \$2500.

**Noelle Merrill (Goodridge) \$2500:** MN Workforce Development Scholarship \$2500.

**Nevaeh Shaffer (Grygla) \$1500:** Lowell & Marge Swenson Endowment Scholarship \$1000 (with another \$1,000 renewable next semester if GPA requirement is met), Sparby Family Scholarship \$500.

**Chantel Grindeland (Goodridge) \$1000:** Lowell & Marge Swenson Endowment Scholarship \$1000 (with another \$1,000 renewable next semester if GPA requirement is met.)

**Thor Henrikson (Goodridge) \$740:** Ole & Ruth Tweet Endowment Scholarship \$290; Dondelinger Foundation Scholarship \$450

## Get your children involved in our local food shelf

By Kari Sundberg, Eagle Editor

We've got a win-win for all involved with this idea that was originally shared online. I'm sure all of you parents with little kids are familiar with the occasional stress and/or chaos that happens in the grocery store when you take your youngsters with you; usually in the form of the kids asking for every single item they see on the shelves. Heck, my kids are 18 and 16 and STILL do this!

This idea is brilliant: let your kids pick out an item for the food bank - an item of their choosing. To keep them occupied longer, you can even give them fun directions to follow (pick out a can with the color green, pick out a food item that starts with a "s"... and so on).

Not only does this keep them busy as you tackle your own grocery list, but it teaches them the act of giving and kindness, especially to an organization like the food shelf.

The gal that shared the idea online said her kids put so much thought into what item they want to pick out, then they carry it around the store,

hand it to the cashier, and even explain to people that it's going to the food bank. It just creates a wonderful circle of kindness.

The Grygla/Gatzke Food Shelf gets their deliveries through North Country Food Bank, located in East Grand Forks. The truck comes once a month (the Thursday before the food shelf is open) with the Grygla Student Council kids helping to unload the items. The food shelf is located on the west side of Motel 89. It's open every third Saturday (after the first Tuesday of the month) from 8 a.m. to 10:30 a.m.

The Grygla/Gatzke Food Shelf has a great group of volunteers who take care of everything, including the main crew who is made up of Cheryl Sistasd, Joni Anderson and Lee Sundberg.

Regarding the idea mentioned above, the Grygla General Store will have a drop box set up for anyone who is shopping and wants to make a donation to the food shelf. That goes for your little ones, of course, but it's a great way for adults to get into the spirit of giving, as well.

Pictured are Blakelee (age 7) and Whitley (age 5) Brobst picking out their items for the Grygla/Gatzke Food Shelf. They are the daughters of Clint and Matia Brobst. The girls left their donation with Grygla General Store workers, who will make sure all donated items get to the local food shelf. Photo by Grygla Eagle Newspaper

## Grygla School plans for new updates

By Grygla School Administration

The Grygla School will soon be getting new updates due to one-time COVID-19 funding. The funding is to be used for specific purposes that must be approved by the State of Minnesota. If the funding is not utilized it will be lost. The updates will include new carpeting throughout the high school hallways and office, and renovation of the locker rooms, which were becoming nearly unusable.

In addition, the school is discussing the possibility of purchasing a 13-passenger van, a suburban or potentially new lockers. These funds are being utilized to update things that have needed to be updated for quite some time. They will also allow us to continue providing the best possible experience for our students and a building that our community can continue to be proud of for years to come.

## Grygla Merchants Tailgate Party

By Kari Sundberg, Eagle Editor

You know what goes together? Tailgates and touchdowns! Gear up because the Grygla Merchants Tailgate Party is coming up on Tuesday, October 17. The event will be held in conjunction with Charger's Football Parent's Night.

The Merchants will serve grilled brats, hotdogs, and

# Only in Minnesota: a weekly feature in the Eagle

Can you guess these roadside attractions in Minnesota that are fascinatingly weird?

When you're driving through Minnesota, you're bound to find the occasional (or more than occasional) roadside oddity. From statues without pants to giant ears of corn, there are definitely a few attractions that will cause you to briefly double take. Are you ready to guess where these four roadside attractions are located? The answers are on the bottom of this page.

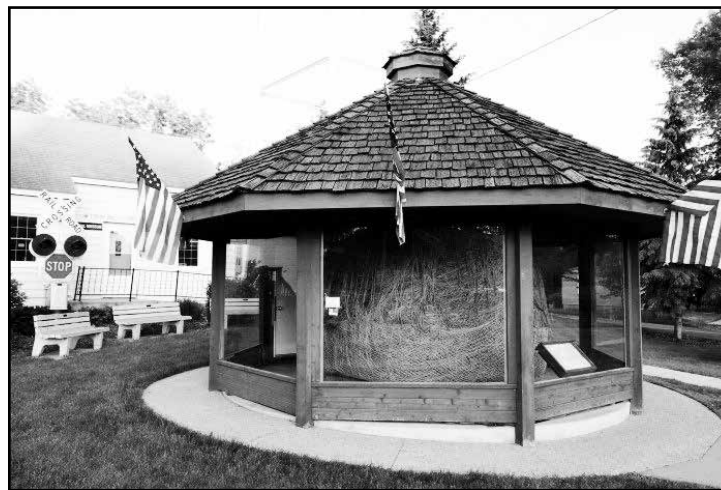

1. Pelican Pete is not only a world record holding roadside oddity but an amazing mascot for this town. At 15 feet and 6 inches tall, this roadside oddity is a 5:1 scale model of a real-life pelican.

2. The world's largest otter is adorable although quite funny looking. Otto stands tall in this Minnesota town and might be

one of the state's cuter record holders. This 40-foot long otter charms everyone he meets.

3. The world's largest booming prairie chicken always surprises and astounds. From the sheer size to the hilarious concept, driving through this town is worth it for this view. At over 13 feet tall, this prairie chicken poses to woo all who have come to admire him since his unveiling in 1976.

4. The largest twine ball wound by one man (yes, it makes a difference, and this is the one that matters) will definitely draw in visitors as they pass through this town. It's always worth a visit to marvel at this one man's handiwork. Out of the nation's modest collection of giant twine balls, this unique landmark even captivated the interest of "Weird Al" Yankovic by inspiring a song.

## Roseau County youth celebrate National 4-H Week

By Kelsey Berger, Sandi Weiland, Extension Educators

October 1-7, 2023, is National 4-H Week, and Roseau County is celebrating the 4-H youth who have made an impact on the community and are stepping up to the challenges of a complex and changing world.

Roseau County 4-H clubs will kick off their new year in October and welcome new and previous members to join them. Enroll/Re-enroll in 4-H Online at: <https://www.4honline.com>

First Meeting: October 25, 6 p.m., Grygla School Cafeteria  
Contact Club Leader: Katie Brobst (218-242-1709)

The 4-H youth development program provides experiences where youth can "learn by doing," which encourages youth to experiment, innovate and think independently. 4-H programs are offered through school-based, after-school and camp settings, as well as within community clubs, where groups meet regularly to work on projects, perform community service and develop leadership skills. Through this unique process, youth obtain essential life skills such as problem-solving, decision making, coping and communicating.

"4-H provides positive non-school learning opportunities that

are critical for the development of young people," said Jennifer Skuza, associate dean for the Department of Youth Development and Minnesota 4-H state director. "As a result, 4-H youth are able to contribute and make a difference in positive ways in their homes, schools and communities throughout Minnesota."

Today's 4-H projects still include the traditional (and popular) agriculture and animal science projects, but youth also work on cutting-edge technology projects, such as aquatic robotics, digital photography, community service and environmental projects—like maintaining local hiking trails and testing water in area streams for contaminants.

Recent findings from Tufts University's 4-H Study of Positive Youth Development indicate that young people in 4-H are three times more likely to contribute to their communities than youth not participating in 4-H. Notably, the Tufts research discovered that the structured learning, encouragement and adult mentoring that 4-H'ers receive play a vital role in helping them actively contribute to their communities. In Roseau County, more than 375 4-H members and 140 volunteers are involved in 4-H.

Learn more about 4-H in Minnesota and how you can get involved at [www.4-H.umn.edu](http://www.4-H.umn.edu) or contact Extension Educators, 4-H Youth Development, Roseau County, Sandi Weiland, [weila006@umn.edu](mailto:weila006@umn.edu) or Kelsey Berger, [emery087@umn.edu](mailto:emery087@umn.edu) at 218-463-1052.

### • SIMPLY DELICIOUS

By Kari Sundberg, Eagle Editor

It's so fun to know that some of you follow these recipe ideas! I didn't even remember sharing this last year, but I got asked about it last weekend so went back and looked – sure enough – here it is! I guess there will be at least two of us making this recipe now this week because I CANNOT pass it up. So, here it is again. Do yourself a favor and write down the ingredients and head to the General Store ASAP.

#### Slow Cooker Pumpkin Spice Hot Chocolate

I know what you're thinking – how does pumpkin go with chocolate? Trust me. IT DEFINITELY DOES. You can top this recipe with marshmallows, whipped cream, or both. This serves a big group, FYI, but it's also good to just have on hand to reheat and enjoy right in time for this weekend's cooler weather.

Alright, grab your slow cooker and get busy with the following ingredients:

- 24 oz. milk chocolate chips
- ¼ cup unsweetened cocoa powder
- ¼ cup sugar
- 2 tbsp. vanilla extract

- 1 tbsp. pumpkin pie spice
- 1 gallon whole milk

Add everything to the slow cooker and stir. Cover and cook on high for 2-3 hours, stirring occasionally.

Note: If you don't have any pumpkin pie spice, you can easily make your own using 2 tsp. cinnamon, ½ tsp. nutmeg and a dash of cloves. Also, this makes a full crockpot that is very hard to travel with – trust me on that. I suggest making it on site. You can always heat up your milk in the microwave to speed up the process if needed.

# Veterans/emergency personnel appreciation and tailgate fundraiser

By Kari Sundberg, Eagle Editor

This Friday afternoon in Goodridge is the place to be. The Charger's Homecoming football game will be played against the KCC Bearcats, our biggest rival, with an early kickoff at 3 p.m. Prior to the game, all veterans and emergency personnel will be recognized on the field. This includes rescue/first responders, law enforcement, firefighters, EMS (current or former), all veterans, and active-duty military. The Goodridge and Grygla School Districts would like to recognize these outstanding men and women for their service to our nation and communities. Free admission to the game will be given to all of these individuals. The American Legion Color Guard will also be at the game for the National Anthem.

Brad and Rozlynn Johnsrud (and family) will also be doing a tailgate fundraiser to raise money for the Goodridge Area Fire and Rescue that afternoon. The menu will be grilled

burgers or hotdogs, chips, bars, and a beverage. Cost is a free will offering. Popcorn and candy will also be for sale. All proceeds will go to the Goodridge Area Fire and Rescue. Tailgating will start at 2:30 p.m.

Last year, the Johnsruds held a tailgate fundraiser that brought in almost \$5,000 for the Goodridge Fire & Rescue Department, who saved the life of their son Donny. The family wanted to plan a similar event this year as a way of continuing to give back. Rozlynn shared, "The tailgate fundraiser is our way of saying thank you to the first responders and our community. The Goodridge Area Fire and Rescue will always have a special place in our hearts and supporting the organization will always be a priority of ours. It's also the best way we can think of to give back to our community; having a well-equipped and trained group of first responders could make the difference in another family's life."

Coach's comments: This was a great win for the Chargers, winning the "Beast of the East" traveling trophy. Offensively, our line took command of the line of scrimmage, opening up some nice holes for our running backs. Nelson having a banner night with 194 yards rushing and 2 TD's. Passing, Rychlock had one of his best games, finding the open receiver on all routes, whether short, medium or deep. This was great to see, the Chargers are going to need that from their veteran QB going forward if they are going to continue their winning ways.

Defensively, the Chargers made a huge goal line stand to take back the momentum and put the Chargers in complete command and finish off the Clearbrook-Gonvick Bears. Homecoming week is here, and the Goodridge-Grygla Chargers host their biggest rival - the Kittson County Bearcats - with an afternoon contest. Kickoff 3pm in Goodridge.

## VB loses to BGMR on Parent's Night

It was a quick night of volleyball on the home court in Goodridge last week when GG hosted the BGMR Gators, who chomped up the Chargers 3-0. (18-25, 9-25, 7-25)

Stats per Coach Larson

Anna Sundberg 6 kills, 1 block; Addison Severt 1 ace, 21 digs, 1 assist; Chesney Salo 1 ace, 4 digs, 10 assists, 1 kill; Molly Cullen 2 digs, 4 kills.

The girls had traveled to Sacred Heart earlier in the week,

playing the Eagles on Tuesday, Oct. 26. No stats were provided for this game, but the girls also lost in 3 sets that evening.

This week, the team will host Clearbrook/Gonvick in Grygla on Tuesday for their Homecoming game. They also travel to KCC on Thursday with a busy tournament day on Saturday for the upper levels. (C tourney at BGMR and a Varsity tourney in Wauben.)
